

Six White Rock players entered in all-star trial

Six members of White Rock's Babe Ruth baseball team have been entered in the South Surrey All-Star trials which opens Friday at Newton.

White Rock has named Mel Harrison, Stephen Uyeida, Chris Jackson, Ian Davey, Derwin Dunbar, and Jim Mills to try out for the team.

Four teams in the southern division of the league have entered players of which 14 will be chosen to compete in All-Star play which opens in July.

Surrey Babe Ruth playoffs will start July 6 with the top team in the northern division meeting the second team in the southern loop and the first-place squad in the southern circuit meeting the second place team in the northern division.

The semi-final will be a sudden knockout and the final will be a three-game series.

White Rock has won five of its 11 games so far this season.

There are seven league games remaining.

The local boys defeated Newton 15-3 Sunday at Semiahmoo.

Rotary Club sponsors dance

White Rock Rotary Club will sponsor a dance at the Silver Moon on Saturday, June 20, from 9 p.m. to 1 a.m.

Music will be provided by "The Shades" five piece Canadian Bandstand orchestra. Profits will go to Rotary benefits and Len Long has donated the hall for the occasion.

White Rock Civil Defence coordinator Rupert Harris was guest speaker at Tuesday's Rotary luncheon at the Silver Moon.

Mr. Harris spoke on the Dominion Civil Defence exercises held recently at Abbotsford. He said the White Rock representatives committed themselves very favorably.

Busy sports schedule

Tonight—Little League: White Rock Athletics vs. Fleetwood Pirates, Semiahmoo Park, 6:30 p.m.

Saturday—Little League: White Rock Tigers vs. Cloverdale Dodgers, Semiahmoo Park, 6:30 p.m.

Sunday—Babe Ruth: White Rock vs. Newton, Semiahmoo Park, 2 p.m.

Park with Mel Harrison the winning pitcher.

They travelled to Cloverdale Monday and chalked up a 14-10 win over their hosts. Stephen Uyeida pitched the first two innings but was relieved by Derwin Dunbar.

Highlight of the game was a double play by White Rock with one out. A hard line drive was hit to shortstop Mel Harrison who caught the ball and threw to second baseman Ian Davey to second baseman Ian Davey to second baseman Ian Davey.

In Little League action, league leading White Rock Athletics battled to a 2-2 tie with Fleetwood Monday at Fleetwood. White Rock Tigers lost their game Saturday at Semiahmoo Park.

Players Club rummage sale slated for Saturday

White Rock Players Club will sponsor a rummage sale in aid of its building fund on Saturday, June 20 at 10 a.m. at the old Little Theatre on Campbell River Road.

The sale will specialize in children's articles and there will be plenty of infants clothes available.

Other articles for sale include a toy table, single bed, baby's crib. All clothing offered will be of good quality.

The Club hopes to raise a considerable amount for its building fund and anyone wishing to donate any articles is asked to contact WI 8-0004 or WI 8-8935.

White Rock Players Club was invited to Haney Correctional Institute Monday evening where they were shown the work presently being carried out among

Sunday—Senior C Softball: Elgin vs. Green Timbers, Semiahmoo Park, 6:30 p.m.

Monday—Juvenile girls: first game of the playoffs, Semiahmoo Park, 6:30 p.m.

Tuesday—Little League, the White Rock Athletics vs. HJ North, Semiahmoo Park, 6:30 p.m.

Superfluity Shop Officially opened

Ten years of unequalled accomplishment was praised Wednesday by Mrs. C. S. Stiggins, president of the B.C. Hospital Auxiliary, when she officially opened White Rock Hospital Auxiliary's new Superfluity Shop on Vidal Street.

Mrs. Stiggins told about 150 ladies, guests and admirers at the opening that the White Rock Auxiliary was the first in Canada to purchase property and build its own Superfluity Shop.

Mrs. Geraldine Fraser, convenor of the first Superfluity Shop opened in White Rock in 1950, also praised the Auxiliary for its work during the past 10 years.

Mrs. Fraser said few members realize the far-reaching effect of the White Rock Auxiliary's Superfluity Shop. She told of her meeting with the president of the Ladies Auxiliary of Mayo Clinic in Rochester last year and how she had described the local Superfluity Shop.

Mrs. Fraser said the president became greatly enthused and announced her intention of organizing a Superfluity Shop for Mayo Clinic. Mrs. Fraser reported this shop is now in operation.

Mrs. R. Tripp, vice president of the B.C. Auxiliary, was also present at the opening. Lynn K. Sully, chairman of the Board of Trustees of White Rock District Hospital, delivered the opening remarks and described the Auxiliary and Superfluity Shop as "the best in Canada."

He also commended works superintendent Gordon Stewart for his untiring efforts in having the Shop completed.

Mr. Stewart thanked the committee comprised of Hospital Administrator Ray Williams, Lloyd North and Lynn Sully for their assistance and introductions.

David Logan, architect for the Shop.

Mr. Stewart presented the key to Mr. Logan who in turn gave it to Mr. Sully.

Mr. Sully then presented the key to Mrs. J. W. Dow, president of the Hospital Auxiliary, who thanked all those who had aided in the construction. She then introduced Mrs. Stiggins who officially opened the door with the key.

The Shop was open to the public from 2 p.m. to 4:30 p.m.

Great Northern rumors apparently well-founded

Persistent rumours regarding the removal of the Great Northern Station have apparently been well founded.

In a letter from the Board of Transport Commission for Canada, committee members learned that in a letter received by the Commission from the Great Northern Railway Company it was stated, "A study is being made of the possibility of moving the station out of the White Rock area but to date no date has been set for its removal."

Car theft case dismissed here

A charge of car theft against Nathan Springman of Whalley was dismissed by Magistrate Stuart H. Gilmour in White Rock police court Tuesday.

Johnston Sowden, Washington Avenue had charged Springman with the theft of a late-model car following a dispute over a bill of sale for the vehicle.

Magistrate Gilmour, who remanded the case two weeks ago, said he accepted the evidence given by an employee of Springman's and in view of this evidence must dismiss the complaint.

In other police court news, Andrew William Boch, 29 of Haney was charged \$10 and \$2 costs after pleading guilty to being a minor in possession of liquor.

Mr. Cecil Berry still hospitalized

The many friends of Cecil Berry, of White Rock, long time V.R.S.A. worker, and secretary to the South Surrey Council of the Boy Scouts Association will be sorry to hear he is in the Shaughnessy Military Hospital.

Mr. Berry had undergone a very serious stomach operation plus the removal of his gall bladder.

Girl athletes do well in Vancouver club meet

Due to impending final examinations, only a small contingent from White Rock Track Club attended the Vancouver Club track and field meet at UBC Stadium on Saturday, June 13.

The four White Rock girls who participated, however, held their own with Vancouver and Fraser Valley clubs.

Wendy McKay took first place in the midget division, second in the midget broad jump, and second in the open women's javelin.

She also captured third place in the midget high jump.

Evelyn Johnston, also competing the midget division, placed second in the high jump and finished fourth in the broad-

In juvenile competition, Marlene Piper gained a first in the discus, second in the broad jump and a third in the high jump.

Sharon Colby, competing in the same division, placed first in the broad jump, second in the high jump and third in the discus.

The local track club, sponsored by White Rock Kinmen, plans to attend the Interior Meet at Kelowna on Friday, June 19.

Entries at this meet are limited to open competition and all athletes will have to put forth a tremendous effort in all events slated.

Ready to compete for the Miss White Rock title are these eight local girls. They are (front) Marie Greenwood, Miss Teen Town; (second row 1 to 4) Carol Dick, Miss Rosemount Florist, Kelly Thurwell, Miss

House of Flowers; Laurie Williams, Miss White Rock Sun; (back row 1 to 4) Sharole Keddy, Miss McAdam's Apparel, Bonnie Eby, Miss Silver Moon; Diane Moritz, Miss Super Valu; and Marjorie Jones, Miss Fire-fighter.

Full program taking shape for Sea Festival

White Rock Sea Festival Society will meet tonight at 8 p.m. in Commerce Hall to hear latest developments for this year's two-day show to be held on Friday and Saturday, July 17 and 18.

John Atkinson, chairman of the Jaycee committee which is convening the program, reports good progress is being made in lining up events for the Festival.

The first day of the Festival will consist mainly of events for the children with sand castle competitions, kiddies' parade, and bird house judging being the highlights.

Miss White Rock will be chosen on the Friday night at 7 p.m. at the Silver Moon. Dennis Meade will again be master-of-ceremonies for the contest.

A dance will follow the crowning of the Miss White Rock winner.

Royal Canadian Shows will be in full swing during the Festival and there will be fun for everyone.

Motor boat racing, motorcycle drag races, swimming and diving competitions, water skiing exhibitions, and boat demonstrations will be included in the Saturday program.

A monster parade will be held in the morning and a

Grand Ball will climax the Festival in the evening.

The Jaycees are planning a fireworks display and any organization wishing to donate fireworks is asked to contact the Junior Chamber.

Everyone is urged to attend tonight's meeting.

Mrs. Freda Lewis bird house judge

Mrs. Freda Lewis of White Rock will serve as a judge in the mammoth Bird House building contest to be run in conjunction with the Sea Festival.

Mrs. Lewis will judge with Mr. George Wilson and Mr. E. Cox.

Mr. Ken Whipple, working in conjunction with Mr. J. Barrie, who is re-organizing the contest, is distributing 500 entry forms to all interested youth of the district. These may be obtained from the Hobby Shop on Hilltop.

All bird houses entered in the contest will be auctioned off at the close of the Festival with proceeds going to the Sea Festival Society.

Dancing pupils in 'Holiday Revue'

Two hours of good entertainment are in store for residents of White Rock and district when Sludge Palmer of the Palmer Dancing Academy, White Rock, will present her musical stage presentation "Holiday Revue" at the Semiahmoo High School Monday, June 29.

A variety of settings, costumes and dance numbers will feature her pupils from White Rock and Ladner who have been practising diligently for this recital.

Mrs. Palmer staged this revue in Ladner on June 12, sponsored by the Ladner Kinmen and met with an exceptional reception which raised over \$1000.

Mrs. Palmer was able to donate to their "Trojan Bug" fund for handicapped children.

Funds raised from this coming recital will be donated to a local worthy cause.

Watch next week's issue of the Sun for further details.

Marjorie Jones is eighth contestant

Eighth entry in the popular Miss White Rock Contest is Marjorie Jones, 17 year old daughter of City Clerk L. L. Jones and Mrs. Jones, 1558 Johnston Road. She will be sponsored by the White Rock Fire Department.

Marjorie, the shortest of the contestants, is a recent arrival from Scotland, having taken up residence in White Rock 2½ years ago.

Marjorie is a student at the Semiahmoo High School and works part time in the Wolatcroft Real Estate Office.

Rehearsals have already begun in the Silver Moon Hall each Sunday morning at 10 a.m. and will continue through until the Sea Festival.

The old Fire Hall at Crescent Beach has now been leased by the 1,000 member Crescent Beach Swimming Club from the Municipality of Surrey for a nominal rental.
Under the terms of the lease the building may also be used by the Property Owners Association and by the Scouts and Guides who at present have no place in the village in which to carry on their activities.
The terms of the lease call for a nominal cash rental plus an amount equal to the overhead which would include taxes and insurance.

Shea-Jensen exchange vows at Zion Lutheran

John Andrew Shea and his bride, the former Shirley Marie Jensen, left for the interior of B.C. following their marriage which was performed by Pastor J. S. Stolee at Mt. Zion Lutheran Church, New Westminster, on Saturday evening, June 6.
The bride is the daughter of Mr. Arthur Jensen, 241 Hart Street, New Westminster and the groom is the son of Mr. and Mrs. Bert Kelly, 15540 Columbia Ave., White Rock.
Given in marriage by her father, the bride chose a floor length gown with lace bodice and bouffant skirt of net tulle. A pearl tiara clasped her fingertip veil and she carried a colonial bouquet of red roses and carnations.
Attired in ballerina-length gowns, were maid of honor Miss Lorraine Haines in pale mauve and bridesmaids Mrs. J. Jensen and Mrs. E. Inkster in shell pink and baby blue respectively.
Carried in their headbands toned with their frocks and were repeated in the bouquets. John Graham was best man, while Henry Jensen and Arden Inkster acted as ushers for the ceremony.
Wedding music was played by Mrs. Ruby Timms.
A reception followed at the home of the bride, where the guests were received by the bride's aunt Mrs. Allison Haines and the groom's mother Mrs. Bert Kelly.
The toast to the bride was proposed by the bride's uncle Mr. Earl Reid.
Mr. and Mrs. Shea will make their home in White Rock.

Catholic Women's League officers

Mrs. Bruce Phillips has been named president of the Catholic Women's League of White Rock. She succeeds past president, Mrs. John Stang.
Mrs. J. Reilly was named first vice president; Mrs. Stella E. Scott, second vice; Mrs. H. Troy, third vice; Mrs. Paul Starck, secretary; and Mrs. Nora Currie, treasurer.
Mrs. W. Logie and Mrs. Sorv comprise the spiritual committee; Mrs. Myrtle Page and Mrs. Helen Beaudoin, the educational committee; Miss Mary Richards, the Girl Guides; Mrs. Louise Griffiths and Mrs. Devlin, membership and Mrs. Florence Smith and Mrs. Ed Maher, sick committee.
A final wind up get-together for the season will be held at the Peace Arch Park on Wednesday, June 24 at 12:30 p.m. when members of the group and their pre-school children will gather for a pot-luck lunch.
The raffie drawing will take place at the outing when the winners of the table cloth, TV dishes and towels will be made known.
Plans have been made to organize the League along the same lines as the White Rock District Hospital Auxiliary, with a number of small groups meeting regularly and engaging in money making projects, with their group leaders reporting regularly at the group leaders' meeting. Members hope to have their new system in full operation for September.

Hurd's invited to Queen's Garden Party

Mr. and Mrs. Wilt Hurd, Royal Avenue, have received an invitation to attend the Garden Party at Government House, Victoria, in honor of Queen Elizabeth and Prince Phillip on July 17.
Mr. Hurd served as the able chairman of the White Rock Centennial Committee, and through his untiring efforts, together with those of his fellow committee members, the White Rock Health Centre was realized.
Commenting on the invitation, Mrs. Hurd expressed her sincere pleasure at the prospect of visiting the new two million dollar Government House and being on hand to view the Queen at such close range.

Local weavers entertain Guild

White Rock weatherwise lived up to its sunny reputation and greeted 16 guests who are members of the Vancouver

Weavers Guild.
They assembled and the homes and workshops of Mesdames Brydon, Wise, Sampert, Field, Wright and had lunch at the home of Miss E. Keeling.

Surrey cricketers defeat Varsity 49 runs to 38

Robin Johnston took six wickets for five runs as Surrey Cricket Club defeated Varsity 49 runs to 38 at Spencers Field, University of B.C. last Saturday.

Cecil Ortner led the winners with 24 runs.

Despite excellent fielding on the part of two young members of Surrey Cricket Club, the local team lost their June 7 match 106 runs to 50 runs to Kerrisdale.

Ten batsmen appeared for the winners and eight were caught out. Hank Bryce caught three and Don O'Carroll two.

In the bowling division, Robin Johnston had four wickets. Art Gutteridge three and Cecil Ortner three. Ortner led in the batting with 22.

Surrey was short one player and had only nine batsmen.

The local club hosts Vancouver at Bear Creek Park Saturday, June 20 at 2 p.m.

Bear Creek provides a beautiful setting for cricket and spectators are urged to attend these matches. The ladies serve tea following the matches.

14 junior skin divers at meeting

Fourteen enthusiastic junior skin divers turned out for the organizational meeting held in the Rotary Youth Centre, Friday evening, June 5.

The newcomers, all 10 years of age and older, were instructed on matters such as what they could expect to learn and the equipment which would be required.

Membership in the junior club is \$1, and this entitles each member to the instruction offered by the senior club's instructors.

Junior members were informed that expensive equipment was not necessary, and only the basic skin diving equipment would be required for beginners. It is necessary that a would-be member be able to swim.

It is expected the club will get underway the first week in July.

Many ribbons awarded at Ray Shepherd sports

The girls proved to have more power than the boys when it came to athletic events at the recent Ray Shepherd Sports Day.

The pupils were divided into teams, Red and Blue, and a junior and senior division was formed in each.

This year's Sports Day was carefully planned and printed ribbons were awarded to winners of all field events.

SENIOR FIELD

Bonnie Simmers, 23 points, 7 ribbons; Annie Trommel, 20 points, 5 ribbons; Margaret Clarkson, 17 points, 6 ribbons.

Richard Easton, 16 points, 5 ribbons; Ricky Hill, 16 points, 4 ribbons; Edward Swan, 16 points, 6 ribbons; Derwyn Dunbar, 14 points, 4 ribbons; Kenny Page, 12 points, 4 ribbons.

CAPTAINS

Red: Bob Boucher, Karen Johnson, Gordon Mitchell, Bonnie Simmers.

DECORATED BICYCLES

First: Barbara Swan, Judy Pravit, Bobby Blades, second: Darcy Mitchell, Billy Simmers.

Third: Brian Main. Ribbons were awarded, but no points given for the team.

Stopping stones race, running backwards race, and the dress up relay seemed to be the ones the children had most fun at. Shoe scramble is always fun.

Scads of kids in all the races, the pre school race was like a hive of bees - each pre-schooler got a chocolate bar, run or not!

Hot dogs and ice cream for all.

JUNIOR FIELD

Nancee Jones, 17 points, 5 ribbons; Teresa Wilkinson, 17 points, 5 ribbons; Linda Aldous, 14 points, 4 ribbons; Sandra Johnson, 13 points, 4 ribbons; Arlene Robinson, 13 points, 4 ribbons.

Lee Tidmarsh, 16 points, 4 ribbons; Dennis Walton, 15 points, 5 ribbons; Gordon Milne, 12 points, 4 ribbons.

SCORE

Field Events: Red 199, Blue 167. Entry points: Red, 213; Blue 269.

Brownies visit Blaine store

Hazelmere Brownie Pack enjoyed a trip to Blaine, Washington on June 8 where they visited the "Boy and Gull" shell craft store.

The Brownies were given information on the many different shells by the proprietors of the store, Mr and Mrs. Bellinger.

Souvenir photographs were taken for the Brownies. Brownies and their mothers then drove to Peace Arch Park where they enjoyed a hot dog supper followed by a lovely birthday cake made for Sandra Ross by her mother. Games and a sing-song brought the evening to a close.

OBITUARY

DAVIS - Passed away suddenly at home, June 15, 1959, Ian Gordon Davis of 987 Maple St., White Rock, formerly of Vancouver in his 80th year.

Survived by his loving wife Elsie; one son Bev and grand children Ian and Keith of Vancouver. Also three sisters and one brother Mrs. F. M. Marshall, Vancouver; Mrs. B. Jayne, Mrs. O. Pigott and Major G. H. Davis, all of Vancouver Island. Rev. G. Struthers will conduct the funeral service in the Mount Pleasant Chapel, Kingsway at 11th Avenue, Vancouver, on Friday, June 19, at 12 noon. Interment Forest Lawn Memorial Park.

WHITE ROCK SUN

THURSDAY, JUNE 18, 1959 5

Council Brevities

Permission will not be granted to the Church of the Holy Trinity to erect a concrete outcrop, approximately three feet beyond its property line, to support the concrete wall at the corner of Foster and Roper Streets.

Building and planning committee members agreed they do not allow encroachment on public property. They also felt the suggested wall was not the best answer to the support required at the corner.

Members will recommend to Council that Mrs. Ellen Hardy be allowed to erect a drive-in cafe at the corner of Kell and Washington Avenue, on the provision she place a \$500 bond while occupying the house on the premises, which she wishes to do for a stipulated period.

Applications for rezoning of Johnston Road and Thrift Ave. and Johnston Road and North Bluff from Commercial, Class 1 to Commercial, Class 2 will be referred to a public hearing.

The Public Utilities Commission and the White Rock Water Works will be represented at a public hearing in the city hall chambers, Monday, June 29 at 10:30 a.m.

Members agreed to allow the pole at the pier's entrance, removed a month ago on an experimental basis, to remain out with proper patching of the spot to follow, as a preventative to possible accidents.

Engineers are in the city at the present time engaged in a land survey of the area at Washington Avenue at D Street, relative to the erection of a retaining wall at some future date. Soil tests have been completed and Public Works Committee are now awaiting the overall report from the Department of Highways.

Public Works Committee members felt it would not be economical to carry out the suggestion of Mrs. N. Kelly, received by letter suggesting that the ditch on Parker Street be

filled and filled in before paving the road.

The area in question on Parker between Buena Vista and Cliff Avenue must be brought into line, members felt as the road is not in the centre of the road allowance.

CUB RALLY AT PEACE ARCH

South Surrey Cubs will attend a mammoth rally at the Peace Arch Sunday afternoon when the Wolf Head Totem trophy will be awarded to the most deserving pack. A pack from White Rock won the trophy last year.

ZONE SOCIAL HELD

Lion zone social was enjoyed Friday night by some 200 Lions Club members and their wives at the Panda Supper Club. Entertainment included a women's mock fashion show presented by the local Lions Club.

Take the Tracks, Too

There has been a great deal of talk lately regarding the realignment of the Great Northern Depot at White Rock but nothing has been said about the tracks that do so much to spoil the potential of this resort city.

If the railway depot goes, should the tracks. An even greater hazard than the one that already exists would be created if the depot was moved to the International Border, as has been rumored; and the tracks were left along the waterfront here.

Trains pass through much of the beach area at a high rate of speed at the present time, but at least they must slow down and eventually stop at the station, which is in the centre of the most congested area as far as beach goers and small children are concerned. Should the station be re-located and the tracks remain, trains would pass through White Rock at a much higher rate of speed and we venture to say it would not be long before a fatality would be recorded.

We join with many others in opposing the mooted station move if the tracks are to remain. We would welcome, however, the removal of both depot and tracks as this waterfront would then be available for the type of tourist development White Rock is always trying to encourage.

The proposed move is said to be in its "early stages." It has been in its "early stages" since about 1949 and present indications are it will remain in that infant predicament for some time yet.

The Department of Transport has assured the city that if application is made for realignment of the Great Northern Depot, the people of White Rock will have the opportunity to voice an opinion. It might be wise to start forming that opinion now, just in case that application is made a little sooner than expected.

Another 'First' for The Ladies

Ladies Auxiliary to White Rock District Hospital officially opened its bright, new Superfluity Shop Wednesday and White Rock can write another 'first' in its records for the women of this district.

The many groups that make up the Hospital Auxiliary are responsible for the financing of the spacious shop on Vidal Street and every Auxiliary member should indeed feel proud of the part they played in making the building a reality.

Some \$6,000 per year has been made available to the Hospital through the Superfluity Shop and the Auxiliary is again seeking the support of White Rock and South Surrey residents in attempting to increase this amount. Any donation of merchandise that may be sold will be welcomed by the Auxiliary.

Let us not overlook the planning and assistance given to the Auxiliary by the Trustees and Administrator of the White Rock District Hospital. The excellent co-operation between the Auxiliary and the Trustees has no doubt quickened the completion date of the Superfluity Shop.

Finally, a salute to the construction foreman, Gordon Stewart, who has worked untiringly in organizing volunteer labor parties and has been on the job constantly since work commenced.

'Iron Lung Full of Cure'

B.C. Foundation for Child Care, Poliomyelitis and Rehabilitation, sponsored by the Kinsmen Clubs throughout this province, has a message of vital importance for all adults up to the age of 40 years. Here is the message. Read it carefully then help your local Kinsmen Club to fight this dreaded disease.

"Now that the Provincial Department of Health has made free Salk vaccine available for all up to 40 years of age, our joint objective of having everyone vaccinated against polio can be met. However, this will require an all-out effort on the part of every man and woman as there is no vaccine to prevent public complacency.

"Too few persons realize that polio epidemics can occur unless a large percentage of adults are vaccinated.

"Your Foundation, which has provided the rehabilitation needs of thousands of polio victims, including corrective surgery, physical and occupational therapy and expensive appliances, is setting up a major educational campaign to urge everyone to obtain the preventive vaccine now. An amount of \$25,000 has been budgeted for this purpose.

"There is no cure as yet for polio, which has long ceased to be a children's disease. Last year in Manitoba alone, 100 persons were polio victims because not enough Manitobans took advantage of that province's vaccine service. This must not happen in B.C.

An "ounce" of polio prevention is indeed worth an "iron lung full of cure." This Organization has convinced the public of the need for iron lungs and raised the funds to provide this vital equipment. Now we must convince everyone of the necessity for polio prevention. Without this conviction B.C. will not respond adequately to the polio vaccine program.

G.N. RLY DEPOT

So they are considering moving the depot, where, To the International Border, that's over there, Near Blaine, really a surprise, let's ask why, For to this well known landmark, it is good-bye. At least we are entitled to know the reason that We should lose the depot, let's prepare to hate. Surely there's no mystery, sub judice, or hush hush, We're an up and growing city, no longer in the bush. No doubt they'll produce figures of freight and express And revenue from passengers, are they all getting less. If they do remove the depot, will the Customs also go, Immigration offices, et cetera, show we ought to know. So far it's in the "early stages" no definite form" we're told Will we find out later we were "down the river sold"

W. F. MCCLINTOCK

A CAR FOR A QUEEN

Little Ann Turnes admires the rear compartment of the Cadillac Fleetwood Sedan which has been adapted and specially fitted for the Royal Tour of Queen Elizabeth and Prince Philip. Two individually powered rear seats, upholstered in silver grey McLaughlin Carriage cloth, are features of the rear compartment of the car. Matching cushions and a lap rug of the same material — the latter carrying the Royal Crest embroidered in red gold — as well as grey mouton floor covering and individual hassocks, complete the decor of the rear

compartment. The car is also specially equipped with twin air conditioning units, powered sliding sunshine roof panel and a remote control radio knob at the Queen's right hand. Shown top, left, is a rear view of the exterior of the Royal Cadillac, which illustrates the detachable bubble of optically perfect plexiglass. It can be removed or installed in minutes. Lower left shows the car emerging from one of the RCAF's C-119 "Flying Boxcars" which will transport it to many Canadian points and to Chicago during the Royal Tour.

Letters to the Editor

Not Association

Editor, White Rock Sun.
Dear Sir,
The meeting held recently at the Tara, Re. the King George Highway, was in no way connected with the King George Highway Improvement Association.

Yours truly,
Agnes Grandi,
Secretary-Treasurer

What Does Sign Mean?

Editor, White Rock Sun.
Dear Sir,
At the corner of F St. and Columbia I met a harassed motorist.

"Please lady, tell me how to get to Gene's Motel on Washington?" His car was facing east on Columbia and as I directed him west, he said: "Oh, no, that is a one way street."

Blinking my surprise as I watched cars speeding both ways I satisfied him by directing him all the way to Maple to Washington and west.

Then I said to myself, this I must see, and on the corner of Johnston and Columbia I saw an arrow pointing south to a footpath with a sign reading one way.

"One Way" Not being a motorist I did not solve that riddle, and was soon confronted with another harassed motorist. This time there were a number of youngsters. The driver was trying to manipulate the dangerous corner at Royal and Martin.

"It is this the only way to the beach?" he said, and turned up Martin towards the alternate routes I pointed out.

As I continued down the hill I looked back at the car and imagined the conversation. Perhaps above the clamour of the children's voices "we want to go to the beach," a stern parental voice said "Let's go home."

Now it is not fair to throw a brick bat at our city council and forget about it. As young and inexperienced they are bound to make some mistakes such as halting people into court needlessly (reference to letter in your June 4) or issuing and cancelling licences without sufficient knowledge. After all, the only one who makes no mistakes is the one who does nothing.

What I would like to point out is that each citizen has a duty in making our wonderful beach accessible to visitors.

Beginning at our highways and continuing at strategic corners beach signs should be placed and understood. Will some one please tell me what that sign at Johnston and Columbia means so I can explain it to the next tourist.

Yours truly,
E. W. Brydon.

Thanks from Hospital

Editor, White Rock Sun.

Dear Sir,
I am directed by the Trustees of the Hospital Board and our Women's Auxiliary to thank you for your assistance to our Society in the building of the new Superfluity Shop at 1137 Vidal Street.

This building on completion will be operated for the Hospital Society by the Women's Auxiliary. The Superfluity Shop in the past has always been a wonderful asset both to the community and to the hospital. The permanence of location of the shop, now assured through the erection of the building will assure the continuance of this effort.

Approximately \$6,000 per annum has been the revenue made available through the operation of the Superfluity Shop in the past. There is every expectation this revenue will increase, through your help, making available to our hospital the necessary funds to maintain hospital equipment, purchase new equipment as needed and so maintain a high standard of patient care. Once again thanking you for your valuable assistance to the hospital and the community.

Yours very truly,
R. A. Williams,
Hospital Administrator

Denies Editorial

Editor, White Rock Sun.

Dear Sir,
In an editorial in your paper you did not tell the truth. You said I blasted the government and Mr. Gagliardi. As I work in this locality and sell for a living, I will not stand for this. Here is what I said at the meeting you wrote about.

1. That the King George Highway is a ribbon of patchwork and a disgrace for the western entry to Canada from U.S.A.

2. That if the small percentage of traffic using the tunnel highway deserves 4 lanes, then so does the large percentage of traffic who prefer the road down through Newton.

3. That the people of B.C. have the whole State of Washington, with all its roads free, therefore the Americans will not take kindly to a 60 cents admission to Vancouver.

4. That the hill from the Nicomekl River to Sunnyside doesn't even have a slow traffic lane.

5. That I have helped the wounded and seen the dead on the King George Highway and there is enough traffic on it to justify 4 lanes.

6. That the people of this province already have enough width for 4 lanes here without spending millions more for land. 7. That I asked Mr. Gagliardi what would be if the tunnel highway opened, and the major-

ity of motorists still preferred to drive via Newton, and he said "When this happens that's when he will attend to 4 lanes on the K.G.H."

Now, Mr. Editor that's what I said, and there were over 100 witnesses. You never mentioned our arguments for a 4 lane highway, you just wrote a special editorial to disgrace me.

Mark Twain once wrote about when we take away a man's right to disagree with the government when he thinks it is wrong we have lost everything.

Now here is something Mr. Editor that will astonish you. Mr. Cohen and I wanted the meeting for the people who signed our petition to 4 lane the last 12 miles of the King George to the junction and neither Mr. Cohen nor I invited Mr. Massey, and how it got in your paper it was a public meeting is a mystery to me.

Now the foregoing is exactly what I said, so where did I blast Mr. Gagliardi or the government? What I said is true.

Sincerely yours,
Bill Conner.

Answers Tories

Editor, White Rock Sun.

Dear Sir,
I noted in the last issue, June 11, of the White Rock Sun, a letter from the Oak Bay Progressive Conservative Provincial Campaign, wherein they quote remarks by Mr. J. A. A. George, Conservative candidate in the Oak Bay riding, regarding the Wenner-Gren Mineral Survey.

Mr. George says "When I asked, last December, if it were not British Columbia's mineral and timber wealth that interested Mr. Wenner-Gren and his associates, it was not an idle question." I will go along with that. It was not an idle question, it was just a stupid one, because any one who thought that Mr. Wenner-Gren was opposing to build a monorail and hydro-electric facilities if there was nothing in the area to justify doing so, just was not using the few brains with which the Creator supplied them.

Mr. George says "Success in the art of sleight-of-hand lies in the mastery of misdirection." He is quite right, and it would appear that he has mastered the art fairly well himself, for he strikes off in the direction of possible uranium deposits, which are speculative, and seeks to fasten the attention of the public thereon at what time he sidesteps the real issue.

Wenner-Gren did not get one-tenth of our province. All he got was the right to explore approximately that area with an assurance that there would be no "nuisance staking" in an area that might be needed for hydro development. There is nothing to stop anyone else from prospecting the same area subject to the same restrictions, and these restrictions apply to Wenner-Gren. If the Wenner-Gren interests find anything worth-

while in the area - and there will be - they will have to comply with the same laws as anyone else.

As I understand the letter of intent, Wenner-Gren will require to commence development and his railway by next year or sacrifice the half million dollars he deposited with the government as a bond of good faith. Assuming that he does as Mr. George suggests and abandons his railway and hydro and concentrates on the mineral and timber wealth, on which he has staked claims according to Mr. George, Wenner-Gren will be in the awkward predicament that he will require to have some method of transportation to get his haul out of the district. Under the present laws of this province no one can sit on claim indefinitely without contributing to the welfare of this province so that whether or not Wenner-Gren goes to work himself, or deputises the work, the fact remains that B.C. gains in development.

It would be interesting to know what the attitude of Mr. George and his associates would have been had it been the Consolidated Mining and Smelting Co. which proposed to do what Wenner-Gren proposes. I have a feeling that they would have fallen for that hook, line and sinker merely because the CPR is ostensibly a Canadian company. And don't forget that the CPR got most of its backing from New York in the initial stages of its construction plans for this country.

Thos. J. Irwin.

Good Editorial

Editor, White Rock Sun.

Dear Sir,
Heartily congratulations to you for your editorial "who was the guest speaker?"

An outspoken editorial like that makes one think of the late Bob Edwards of the "Caffery Eye Opener," and at times is badly needed.

It takes nerve for an editor of a local paper to come out straight from the shoulder, may you do it again, if, and when occasion arises.

Yours very sincerely,
A. Rawlins.

Home or Holm?

Editor, White Rock Sun.

Dear Sir,
I am writing your regarding an article which appeared in the June 4 issue of your paper; (an article which I enjoyed very much) about the progress made by the management of the ladies auxiliary of the Crescent Park - Holm. Please note the spelling of the name.

As an occupant of this place I am interested in seeing its name spelled correctly. Thank you.
Mrs. C. King.

EDITOR'S NOTE - Although this development has in the past been known as Crescent Park Holm, we were requested by the writer of the article in question to spell as "home".

Get your full value from a refrigerator

When you have your refrigerator temperature set at "normal" it means about 40 degrees. At that setting you can do a number of things besides simply store a few perishable foods. Take batters, for instance. If your family likes cake fairly frequently, you can mix a double amount of batter; bake half of it today and store the remainder for two or three days. You'll get best results by leaving out the baking powder until baking time. Sift it over the surface at baking time and fold it in gently.

There's an advantage in storing cookie dough in your refrigerator. Your cookies will be crisp and more tender. They require less flour for rolling.

So-called "refrigerator" cookies don't require rolling. All you need to do is slice and bake. That's protection against two-legged raiders of the cookie jar. With cookie dough it's all right to add baking powder at mixing time.

Yeast dough keeps well for at least five days. Waffle or muffin batter, Yorkshire pudding - they all store well. Pastry is better if stored for a few hours, or overnight. It will keep for a week or more, uncooked. You should wrap it in waxed paper or a clean tea towel.

In the days when you made ice cream in a hand-turned freezer you got good results and a fine product because you were stirring the entire freezing period. You got small, smooth crystals. When you're making ice cream with a refrigerator recipe it's always best to remove the tray two or three times and beat the ice cream before it's frozen firm. If ice cream doesn't seem to freeze properly, the mixture may be too sweet.

When you're buying a refrigerator, it's wise to think of several things. How big should it be, for instance. The fact that users have demanded bigger and bigger refrigerators over the years gives a clue. Don't skimp on size. You're sure to regret it. Be sure to plan the placement of your refrigerator. Will the door open in a convenient way in the spot you have in mind in the kitchen? And if it's at all practical to have a counter beside the refrigerator, you'll find it very handy. Without a counter close by, you may wish you had three hands instead of two.

Home freezers are popular

Why have home freezers grown in popularity in recent years? Here are several advantages they give the modern homemaker.

Quick meals. By cooking in quantity and freezing for future use, meals can be turned out in 25 minutes that would take two hours starting from scratch.

Lunches. Instead of an everyday rush to pack lunches they can be made once a week and frozen.

Entertaining. The hostess isn't too tired to enjoy the party if she has a home freezer. She can prepare and freeze refreshments weeks in advance.

Shopping time. Once a month is often enough to fill up a home freezer.

Wholesale buying. By buying food in quantity and in season, lower prices mean you can eat better for less.

Variety. Summer fruits and vegetables add interest to winter meals. It is easier to plan balanced menus.

Leftovers. These can be used up weeks later.

In addition to all this, unexpected company will never be a problem to the homemaker with a home freezer. Plans can be expanded quickly because she has a supermarket in her own home.

cut family food costs -

STOCK UP ON FOOD SPECIALS LIKE THESE WITH A HOME FREEZER!

Almost every issue of your daily newspaper carries news of genuine food savings like these. But to really cash in on seasonal bargains and specials, you've got to stock up when prices are lowest.

Your home freezer can help you "freeze" food costs in many ways. By buying meats, fruits, vegetables - even eggs - at low, in-season prices. By taking advantage of large-quantity buying economies. By loading up when your grocer advertises frozen food specials. And by storing game, fish, home garden produce, bargain day-old bread, home baking and left-overs for later enjoyment.

You'll save money, shopping trips and food preparation time with a home freezer - and equally important, your family will enjoy better eating the whole year 'round. Find out how you can live better for less with a modern home freezer. See the latest models now at your appliance dealer's!

B.C. ELECTRIC

Ever put dampened laundry in refrigerator?

Did you ever think of placing your dampened laundry in your refrigerator until it's time to iron?

You should try it. The moist cold of the refrigerator helps spread dampness more evenly and keep it that way, and there's no chance of mildew. Also, chilled fabrics actually iron better.

Watch It!

by Margaret Lang

Several weeks ago the newspapers carried the report of a two-car collision which took the life of one man and caused injuries to four other persons. As I studied the news pictures of the battered-up cars involved in this accident, which occurred in the 60 mile-an-hour zone between Abbotsford and Chilliwack I felt a sort of melancholy vindication for the dreary prediction I had made some time before.

Shortly after the 60 mile-an-hour zone had been established on the highway where this accident happened I had occasion to drive this same route on my way to Chilliwack.

As with most drivers I didn't need any urging to take full advantage of the extra speed allowed, and if it hadn't been for my husband's cautioning "watch it!", and my own stern self-discipline I would have been going much faster.

It was during this particular drive that I formed the opinion that one of the factors that provoke the urge to drive faster and faster, is a matter of comparison or contrast. When driving along a straight-away it is very easy for even a fairly conservative driver to increase the speed of his driving beyond his intention for no other reason than that other vehicles are passing his car by as though it were standing still. This increased speed of course leads to still greater effort on the part of the car behind which, naturally, always has to pass.

It was while my husband and I were dawdling along at 60 miles an hour (comparatively at snail's pace) that I made my dreary prediction that it would not be long before there would be an accident with someone killed or seriously maimed, not so much because of the increased speed allowance, but because of the way drivers would use the privilege.

The entire blame for accidents certainly cannot be charged to speed. The accident I have referred to here was caused by one car veering across the centre line while taking a curve. Surely that would be classed as careless driving, not being in proper control of the car? And the driver in this instance was one of considerable experience, so this would seem to point up the fact that all the trouble on the road is not caused by the inexperienced.

It has been said by one of the most experienced safety officials that "no man in this world is contented to operate an automobile with complete safety at 65 miles an hour."

If this is so I wonder why it is felt necessary to create new hazards by increasing the speed allowance, officially. Most drivers feel that a speed of about 60 miles an hour is permissible in a 50 mile-an-hour zone anyway, and posting signs making 60 miles an hour legal seems to be a 'go ahead' to drive any speed beyond that.

It doesn't bear thinking of, to anticipate the hazards that the new speed zones will make of the too-slow driver who wheels cautiously along, hugging the white line and refusing to budge one inch to the right no matter how many cars are held up behind him.

This is something that can and should be prohibited. A ruling directed particularly at this type of driving through speed zones ought to be established and enforced. Travelling along at a slow rate even in a fast-speed zone could be necessary for a variety of reasons, but as a 'safe driving' measure this slow driving should be done as far to the right of the centre line as is safely possible. This would permit other cars to take advantage of all the speed the law will allow without having to take desperate chances when moving out because of not being able to see far enough ahead for safe passing.

Motor vehicle liability insurance is going up all the time and since what we pay for liability insurance depends on how we behave on the highways I feel there should be more and more publicity accentuating the high rate of accidents caused by carelessness in driving at high speeds, stressing the fact that there is no margin for carelessness in driving fast, because High Speed Can Be A Killer.

Insurance companies are doing their best to reduce accidents by adjusting rates but I feel that stricter enforcement of the traffic laws would help. It is almost impossible to drive any distance without witnessing traffic laws being violated, apparently unnoticed by any law-enforcing agency. I believe there should be more careful screening of persons permitted to hold licences to drive. Automobiles have become more potentially lethal in the past few years, and if more and more high speed zones are going to be established, then more care should be exercised in issuing driver's licences.

Age is one factor that should be carefully considered when licences are issued or extended.

The youthful applicant for a licence should be very thoroughly screened so that there is less chance of reckless and irresponsible youngsters driving high powered cars at break-neck speeds.

After a certain age, the older driver should have to pass a rigid test at frequent intervals to make sure he has the adequate vision and fast reactions necessary at times while driving at high speeds, for these features may alter in older person within a period of months and it should not be necessary for an accident to occur because of vision or timing, before a licence is restricted or withdrawn.

The driving of any car should be considered a privilege which should not be abused. All drivers, from the one who skims along the highway at top speed, to the one who cautiously moves along hugging the white line, would benefit from sure, if along with signs indicating the speed permitted, still larger signs were posted, calling attention to the statistics on the death rate and injury rate per mile. I feel sure that it would influence at least a percentage of the drivers, whether speedster or slowpoke, to be more considerate and more careful while driving. Also there might be some merit to the suggestion that drivers bear a mind the warning phrase "watch it!", and it could prove a worthwhile motto for all drivers to cultivate.

Sunnyside News

A picnic with a full slate of contests and a picnic dinner was much enjoyed when the local Old Age Pensioners Organization went to Fort Langley on June 10. After a few days of poor picnic weather, the 10th proved to be fine, but the attendance was rather poor.

Mr. and Mrs. Stone of Haney have come to make their home in Sunnyside and have moved into the home they purchased from Harry Ormerod on Best Road. Mr. Ormerod moves to his new home near North Bluff Road.

Mr. and Mrs. W. Cookson of

Electric freezer saves time, work

The homemaker can save on time and work, and give interesting variety to menus with an electric freezer in the kitchen, according to Marjorie Sedgwick, BCE home service representative for the Fraser Valley.

"Complete meals, hearty snacks and surprises for the children are all so easy to prepare when tempting foods — baked or cooked days, even months before — are tucked away in the freezer," she explains.

"With a freezer you can establish regular baking days — bake three or four times the usual quantity of cakes, cookies, pastries and know that a month later they'll still be as fresh and good as the day they were baked."

Foods such as meat, vegetables and fruit can be bought when they are cheapest and most plentiful and stored for the future.

A freezer then becomes a private supermarket that is always ready with something new and different for meals.

Red Deer, Alberta have come out to the coast and have been guests of Mr. and Mrs. R. S. Ormerod of Sunnyside. They have been visiting friends in this area, and are presently in Vancouver. They made the trip by car by way of Peace River.

Announcing the NEW

BANK OF MONTREAL

Family Finance Plan

Bring all your personal credit needs under one roof

with a low-cost B of M life-insured loan

Here is the modern approach to finance the things you want to buy for your home and family . . . to take care of expenses for school, college, vacation and so on . . . and, of course, to meet emergencies.

The Bank of Montreal Family Finance Plan enables you to plan your purchases and helps you meet unexpected expenses under one single comprehensive plan.

Here are four good reasons why — whether single or married — you should use the Bank of Montreal Family Finance Plan . . .

'MY BANK'
100% MONTREAL
B of M

- 1 All loans are automatically life-insured. Should you die before your loan is repaid, your debt to the bank will be cancelled.
- 2 Monthly repayments can be extended up to two years — or even three, if need be. This means that PPP can be tailored to suit any salary.
- 3 You can borrow up to \$2,500, depending on your income, to buy the things you want for your home and family, or to meet emergencies.
- 4 Planned repayments help you run your income — instead of letting it run you.

If you have a steady income and can make monthly loan-repayments without hardship, you can finance almost any useful purpose through the Bank of Montreal Family Finance Plan. Why not talk to the people at your neighbourhood B of M branch . . . you'll like their helpful attitude. Whether you are a B of M customer or not, you will find a warm welcome.

WORKING WITH CANADIANS IN EVERY WALK OF LIFE SINCE 1817

Canadian Legion camp faces busy summer

Mrs. Elsie Macfie of New Westminster is the new matron of the Canadian Legion Camp on the Semiahmoo Indian Reserve. Mr. and Mrs. Joe Kendall of White Rock will serve as cooks.

First guests of the summer season are the Rotary-sponsored Old Age Pensioners of New Westminster, who arrived on Friday, June 12, 34 strong, to enjoy a week at the seashore. Seventeen women and seventeen men comprise the group. Oldest lady in attendance is 90 year old Mrs. Harris and the oldest gentleman is Mr. Bill Davis, 85.

A touch of gaiety pervaded the camp on Monday, June 15, when Mr. and Mrs. R. Marshall of New Westminster celebrated their 55th wedding anniversary.

Mrs. Macfie arranged bouquets of early summer blooms in the dining room especially for the occasion.

Mrs. Macfie comes to her post with a wealth of valuable experience behind her. She served in Indian Mission Schools under the Anglican Church of Canada for many years, with many years spent in the Queen

Charlotte Islands. She was the first volunteer for missions in Canada under the Anglican Church.

The busy summer schedule will bring new guests to the Camp each Friday. Bookings include another group of Old Age Pensioners next week; members of the CNIB from Vancouver from June 26 to July 3; and again from July 3 to July 10; with CNIB members from New Westminster coming for the week of July 10 to July 17.

Members of Vancouver South Branch, Can. Legion Branch No. 16 will be on hand for the week of July 17 to 24 with more Vancouver Branch Veterans the following week and Veterans from Valley Branches from July 31 to August 7.

Members of the War Veterans' Association No. 2 will enjoy the camp from August 7 to 14 and again for the following two weeks through to August 28 with War Veterans' Association members from greater Vancouver Branches enjoying the camp from August 28 to September 4 with the final week up to September 14 being devoted to Handicapped guests.

Official launching of this sleek sailboat, built by Jim Anthony and Bob Mathieson of White Rock took place Saturday morning when Mrs. Pat Collishaw poured champagne over the bow and christened the boat "The Kitten." Champagne bottle proved tougher than the boat so owners, assistants and admirers decided to just uncork the bottle and pour some over the bow. The remainder of the champagne was disposed of by some other method. Last touches were put to this smart 19-foot sailboat early Saturday morning and launching was carried out under perfect weather conditions at Semiahmoo Cabins. This craft took more than a year to

complete and both Bob and Jim invested approximately \$500 each in its construction. The Royal blue and natural stain sailboat was built at the Anthony residence on F Street and many local residents followed its progress with interest.

Murray's announce daughter's engagement

Mr. and Mrs. J. Murray wish to announce the engagement of their daughter, Frances Ann, to William Arthur Russell, son of Mrs. Muriel Russell and the late Mr. J. L. Russell.

The wedding to take place August 1 at 7:30 p.m. at the First United Church, White Rock.

Junior Forest Warden P. Burrows posts fire prevention posters in city

One of the most community-minded residents in White Rock these days is 15 year old Peter Burrows, son of School Trustee Jack Burrows, and Mrs. Burrows, Cook Street.

Peter, a member of the Junior Forest Warden's Association undertook single handed last weekend to post fire prevention posters on telephone poles in the most strategic centres throughout White Rock and adjoining area in an effort to warn residents of the potential fire danger prevalent during the summer months.

This was not a task as far as

Peter was concerned, it was rather a pleasure. For to Peter, forestry and its accompanying studies, is one of the most interesting and rewarding pursuits a person could follow.

The woods, and the preservation of them, have long interested Peter. He plans to make forestry his career and even now he is thinking and planning in terms of conservation, beautification - the planting of Canada's forests of the future.

Peter has made an honest attempt to revive the Junior Forest Warden's group in White Rock and has found a number of similarly interested youths who would like to belong to such an organization. All Peter lacks in forming one are the rules and regulations in book form and adult sponsorship. He plans to devote part of his summer to obtaining this necessary information with definite plans to organize a local Forest Warden's group in the fall.

OAPA to improve hall entrance

Annual picnic of OAPA Branch No. 11 was held under sunny skies on Wednesday, June 10 at Semiahmoo Park.

About 60 members were present to enjoy games and singing to the music of Mr. Wilson's fiddle.

Members were concerned when several tables in the park overturned when the group sat down to lunch. Nobody was injured but the branch feels this matter should be brought to the attention of Surrey Parks Board.

The regular meeting of the Branch was held on Tuesday, June 2.

There was a large turnout and due to the generosity of members who contributed to the purchase of 32 chairs, everyone was able to have a seat.

Program included sacred songs by Mr. and Mrs. William Wilson, recitation of Mark Anthony's address to the Romans from Shakespeare's Julius Caesar given by Mr. L. T. Williams and lively tunes by Mr. Wilson on the violin.

Miss Kathleen Lock and her section was greatly missed, but the group hopes she will return next month.

An improvement to the Corner's Hall entrance will be carried out before the next monthly meeting.

It has been decided to reconstruct the sidewalk on the west side of the Hall in order to provide solid footing and easy access to the rear entrance where the stairs have a much more gentle incline.

This work will be carried out by volunteer labor from the organization and lumber and paint has been supplied from donations by members.

Next meeting will be held on July 7 followed by the picnic in Stanley Park on July 21.

Greatest challenge facing Canadian labor and management during 1959 is the keeping of costs to a point where they don't price Canadian-made articles out of the competitive export market.

Ocean Park news

Mrs. E. F. Gould of Ocean Park left by train on June 7 for Montreal where she will spend a few days before sailing for Scotland. She will be accompanied by her daughter

Norma. Mr. Charles Davis of Stevenson Road is in the White Rock Hospital and is undergoing treatments to his foot. His friends and neighbors hope his stay in the hospital will be brief.

Around Town

Mrs. L. Cave of Magdalene Avenue has returned from a 10-day visit with former White Rock residents, Mr. and Mrs. T. H. Leatherbarrow of Vancouver. Mrs. Cave returned home in time to receive her son and daughter in law, Col. and Mrs. J. C. Cave of Victoria at weekend guests. Mrs. Cave will entertain the Vancouver Ladies Manx Club on June 24 and leave for a month's vacation in Winnipeg on June 30.

Mr. and Mrs. M. Crosbie, 410 Pacific Highway, have returned from a three-week holiday in Saskatchewan where they visited friends and relatives. They also attended the Grand Lodge and Rebekah Assembly of the IOOF at Moose Jaw.

Mr. and Mrs. Ray Graham of North Vancouver were guests last weekend of Mrs. Estella Graham, Russell Road.

Mrs. John Kennedy of Kamloops and Mrs. Grace Currie of Vancouver have been guests this past week of Mr. and Mrs. Alex Ferguson, Russell Road.

Denver, Colorado, will be the destination of the H. J. Westman family as they leave for Thursday to attend the Evangelical Free Church Conference in that southern city.

Father will be king on Sunday, June 21, at the Sunday School hour at the Evangelical Free Church when every father present will receive a small gift. Rev. Arthur, minister at the Langley Free Church will be guest speaker.

Edward (Ted) Wilson, son of Mr. and Mrs. A. Wilson of Whalley, B.C., was one of the six students from B.C. chosen as a delegate to attend the Junior Red Cross convention in Toronto in August. Ted is the grandson of Mr. and Mrs. Albert Hillman of White Rock, and is a former student of Semiahmoo School. He is now a grade 12 student at Queen Elizabeth High School.

Mrs. Howard Pedlar, Oxenham Avenue, has enjoyed a visit to Sangkuo, Alberta, where she was the guest of her son and his family.

The many friends of Mr. Leo Williams, Merklein Street, will be sorry to learn he is hospitalized at the White Rock District Hospital.

Mrs. Peter Wells and baby daughter, Isabel of Leicester, England, are visiting at the home of Mr. and Mrs. Arthur A. Porter, 1362 Foster Street. Dr. Wells is on a business trip to Seattle and will return on Wednesday to visit relatives in Vancouver. The Wells' will fly back to England and later go to Australia.

Mrs. Margaret Spence of New Westminster, and formerly of White Rock, visited White Rock District Hospital Sunday to see her 40th great grandchild, James Paul Robinson, born on June 10 to Mr. and Mrs. John Robinson, 16244 Russell Road.

Bob Lee of Stokes Road has undergone a serious operation at Shaughnessy Hospital and is now receiving radiation treatment.

Miss Donna Gail Stearns, accompanied by her mother, travelled to Bellingham recently to take part in Ted Cawker's "Stars of Tomorrow" dance review.

Mrs. M. E. Fields, of Calgary, is visiting Mr. and Mrs. Arthur Hoon, 137 Winter Street.

Mr. and Mrs. John Anderson, 16425 Columbia Avenue, have returned home after a 10-day trip to California as part of their Golden Wedding celebrations. The Andersons cut short their visit after Mrs. Anderson was taken ill. They visited old school friends in California.

Queen the Jack Benny Show, saw for a Day and also Cinerama.

Dr. M. George Proctor Middleton (CVO) of Ballater, Scotland, physician to the Royal family at Balmoral was a visitor at the home of his brother and sister in law, Mr. and Mrs. Edwin L. Middleton of White Rock. Dr. Middleton recently retired as Collector of Customs. Dr. Middleton is spending two months in Canada and visited White Rock for 2½ weeks. He feels White Rock is a very beautiful spot which reminds him greatly of his home.

Mr. and Mrs. Edward Pickard and their three children, of Burlington, California, have been visiting Mr. and Mrs. Harold Lang, Marine Drive. The children, Roger 9, Eloise 7, and Scott 21 months, enjoyed the White Rock beach.

City needs auto wrecking spot

Planning and Building Committee of council recognized the needs of an auto wrecking premises in White Rock in dealing with a complaint against White Rock Motorists a machine shop on Staty Road.

Members had requested Stan McConkey to appear at the meeting to answer questions put to him by the committee. Members made it clear that complaints of rats had been lodged by Zone 1 Ratepayers, not by committee members.

Two of Mr. McConkey's neighbors were on hand to vouch to the fact that they had no knowledge of the alleged rats.

Members expressed the view they realized every city needed an auto wrecking premises and they had no complaint to make other than the fact that the front of the premises at times seemed untidy.

They suggested that the proprietor remove the one large piece of equipment from the right side of his front premises by June 30.

Mr. McConkey agreed to do so.

Legion News

Branch No. 8 held their last general meeting before the summer recess, Tuesday, June 9, in the Legion Hall, Johnston Road.

There will be a stag party Friday, June 19, at 8:30 p.m. Klondike Night for members; we would like to see a good turn out of members for this event.

Admission by membership card. The Branch has given a donation of \$50 to the Youth Training plan of Canada, also a bursary of \$150 to a high school Graduate Miss Sharon Ashe.

The men keep the shuffle board busy these days and several members of the Ladies' Auxiliary play shuffle board every Monday afternoon from two to four, the men will have to be on their toes or the ladies will take them to the cleaners as they are becoming very proficient on the shuffle board.

The Branch has had a new ventilating system put in that takes care of the smoke situation in the auditorium and makes it more comfortable for the bingo players on Saturday nights.

Local realtors invited to Sask.

Four local realtors have been invited to attend the 16th annual convention of the Canadian Association of Real Estate Boards to be held in Saskatoon September 20 to 23.

Patrick Hanley, A. R. Hillman, A. G. Davidson, and H. C. Cook have received an invitation to be Premier T. C. (Tommy) Douglas of Saskatchewan address the convention.

Between 500 and 600 realtors from points all across Canada are expected for the meeting, first to be held in Saskatchewan by CAREB.

Mr. and Mrs. Morrow attend convention

Mr. and Mrs. Blake Morrow of White Rock attended the one-day annual meeting and convention of the B.C. Pharmaceutical Association held at Harrison Hot Springs June 10, 11 and 12.

Mr. Morrow was again named to the veterinary drugs committee of the Pharmaceutical Association at the convention.

He was also a member of the convention committee in District three.

Blake participated in the golf tournament staged at Harrison. George E. K. MacDonald of Cranbrook, retiring president, told the final session that from the standpoint of progress and support by members, this was one of the most successful annual meetings in pharmacy's 100-year history in British Columbia.

The Association, he said, is now studying the possibility of constructing a building to house pharmacy offices in Vancouver. Last March a committee was appointed to examine all aspects of the proposed building committee.

Lighting plan debated by Aldermen

Ald. Max Zack believes an overall master plan of the city with street lighting stipulated in progressive stages would put an end to dealing with individual requests at every council meeting.

Ald. Irwin feels that even in accepting a street lighting plan, installations would only be made at the request of the taxpayers. He feels it would be foolish to start out installing lights in unpopulated areas just because the "plan" stipulates a light should be at a given spot.

Ald. Irwin volunteered to bring in a plan of his own for the city, not one prepared by the B.C. Electric, as has been formerly studied.

Members turned down a request for a light at the corner of Ewson and Cliff avenues on the grounds that Ewson would be continued through and at that time the request would be considered.

A light will be installed at Everall and North Bluff.

Juvenile girls in playoffs

White Rock's juvenile girls softball team wound up league play undefeated Friday night with a victory over Newton which gives them a bye in the first round of the playoffs.

The local girls will play their first game on Monday, June 22, at Semiahmoo Park at 6:30 p.m.

Home runs by Pat Beasley and Marlene Piper led White Rock to its victory over Newton. Florence Hansford pitched for the winner and Pat Beasley was catcher.

The Bantam League playoff is all tied up following Overwaitea's win over Safeway Tuesday night at the school grounds.

The series is tied at one game each with the final slated for Wednesday, June 24 at the school grounds.

Deanne Watts pitched for Overwaitea and Rolinda Irwin was catcher. Sharon Darling was on the mound for Safeway and Vera Jackson was catcher.

A wiener roast will be given for all the bantam girls this Friday, June 19 at 7 p.m. on the beach across from Walton's Shell Service.

Loan Cupboard will not be closed

The Red Cross Loan Cupboard will not be closed for the summer as previously announced.

The Workroom will be closed as the supervisor is not able to be there daily but anyone wishing articles should apply as usual to Mrs. N. A. Burden, 16280 Royal Avenue.

Medical review panels set up

Delta MLA Dr. Gordon Gibson has announced that a Medical Review Panel of the Workmen's Compensation Board under the new appeal system has been set up by the B.C. Legislature.

Chairman of the Panel is Dr. Gordon Johnston of Vancouver. Others serving on the panel are: Dr. J. F. Tysal, Dr. E. C. McKay, Dr. P. O. Lehman, Dr. J. R. Nielson, Dr. J. F. McCreary, Dr. R. B. Keary and Dr. H. (Robb) Robinson of Vancouver.

Dr. S. Stewart Daly of Trail and Dr. G. R. Blott of Nanaimo.

Legislation was introduced at the last session to deal with the

new benefits coming into force through the Workmen's Compensation Act.

Dr. Johnston has pointed out that under the new legislation, it will still be necessary for a man claiming benefits to supply a certificate.

Since the new amendment to the Act, B.C. has the finest benefits according to workmen anywhere in Canada and the appeal system now in operation is the most effective in Canada, the chairman said.

The Staty Road Hospital Group will hold their regular monthly meeting at the home of Mrs. Smith, 16717 23 Ave. on June 24 at 2:30 p.m.

Plans to alleviate water shortage outlined

Larger water mains, and elevated storage tanks were among plans outlined by district engineer Hugh Buckley to alleviate the water shortage and allow an ample supply for domestic purposes by 1961. Buckley spoke on the subject at the Sunnyside Community Hall on June 11.

The rapid increase in demand for water was shown by the following statistics: In 1949 there was 57 miles of pipes but by 1958 there was in excess of 200 miles.

In 1958 there were 16,400 connections or 38 per mile and today there are 44.1 per mile. In 1956 a pipe was laid across the flats to augment the supply received from the White Rock Water Company.

There are 7,000,000 gallons of water used daily and it is supposed that by 1960, 68,000,000 gallons will be required. Present high level storage tanks hold 400,000 and ground storage holds 550,000 gallons.

It is estimated that Surrey population in 1980 will be about

Crescent Beach

The regular monthly meeting of Crescent Canadian Legion No. 240 was held in the hall on Monday evening, June 8, with the president, Mr. Hugh Grant presiding. Three new members were initiated into membership. A very interesting report of the Legion convention held in Prince George was given by Mr. Ted Drage. He reported Mr. J. Potchecary was elected president and Mr. S. Kirk, 1st vice president. Drage stated that 213 official delegates were present the opening day and said he was impressed at the large amount of business conducted. A chicken barbecue will be held on the Legion grounds, June 27, from 5 to 7 p.m., followed by a dance in the evening.

Mrs. D. R. Flawith entertained the Crescent Park School PTA executive at a luncheon given at her home on Wednesday afternoon, June 10. A delicious luncheon was served in the garden. Favored with sunny weather, it was an enjoyable afternoon. In the absence of the president, Mr. D. R. Flawith, Mrs. R. B. Birch conducted the short business meeting. Recommendations were made for the coming season of the PTA. Mr. C. White, principal of the school and several of the teachers were served refreshments later in the afternoon.

The Ladies Auxiliary to Canadian Legion No. 240 held their regular meeting on Thursday afternoon, June 11, with Mrs. Winifred Grant, president, in the chair. Mrs. Inez Sturgeon was appointed to act as sewing convenor for the remainder of the year owing to the resignation of Mrs. D. Grozav. Mrs. Winifred Grant, delegate to the convention at Revelstoke gave a very interesting and detailed report.

Mrs. Grant stated the Revelstoke Auxiliary gave the visiting Auxiliaries a wonderful time. A very colorful parade marched to the churches Sunday with over 200 in the parade, led by the band, followed

Receiving second degree honors during her first year at Victoria College was Barbara Small, daughter of Mr. and Mrs. T. E. Small, Blackburn Crescent. The results of the Seasonal examinations in the Faculty and College of Education have been approved and passed by Victoria College Council.

'Shameful treatment' for MLA Massey

Sunnyside Community and Ratepayers Association has written to Delta MLA George Massey announcing the group has dissociated itself from the way a recent meeting at Tara was conducted and the 'shameful' way Mr. Massey was treated.

Massey was guest speaker at a meeting of King George Highway businessmen and residents on June 9.

About one-third of the people attending the Ratepayers meeting last week also attended the meeting at Tara.

by the color party and Auxiliaries. Mrs. Grant stated that the three days were very interesting and instructive. Mrs. Grant said many resolutions were passed for the betterment of the Auxiliaries. The next meeting of the Auxiliary will be held in September.

A strawberry tea was held by the Ladies Auxiliary to Canadian Legion No. 240 on Saturday, June 13. The tea was opened by Mrs. W. Grant, president of the Auxiliary. Mrs. D. O'Donovan acted as general convenor. Pourers were Mrs. E. Nowett, Mrs. G. Eylon, Mrs. D. Grozav, Mrs. T. Davey, servitors Mrs. M. Tolver, Mrs. I. Coutineau, assisting, Mrs. J. Miller, home cooking, Mrs. H. Boyd, Mrs. R. L. Wilson, Mrs. S. McArthur. The tables were beautifully decorated with spring flowers.

Mrs. J. S. Christopherson spent last week at her cottage on Sunnyside Road and had as guests her nieces, Miss Harriett Wagstaff and Miss Ellen Wagstaff of Chicago, Illinois.

Library Chatter

It has been suggested that a Saturday morning "Reading Hour" might prove beneficial to our very young readers. To set up such a program it would be necessary to have a number of volunteers who would be prepared to take their turn reading to the children, telling stories and helping them to choose books. If you are interested in such work please leave your name with the Librarian or phone Mrs. Browne WI 8-8145.

A short training period would be required so that we might have a uniform standard. We should be particularly happy to see some of our teen-agers working in our Library—how about it?

Do you know that it is the White Rock Group of the Palisades Arts and Crafts who are responsible for contacting the various artists and art groups and arranging for the excellent displays which are on exhibition from time to time in our Library. The Library Committee is grateful to this group for the service they render to the community.

Father's Day - June 21

Dad sold into slavery; going into debt - yet!

Dad is just about the most popular guy alive — particularly, of course, with his family — according to this year's crop of Father's Day (June 21) cards.

The greeting cards, except for a few "contemporaries" which poke gentle fun at him, heap praise on dad in both art and verse. Take this one featuring a silver-framed bouquet of flowers.

Its sentiment concludes with this bit of adulation:

"He's the sweetest, the kindest, and the greatest. He's tops."

But, according to a short Father's Day history prepared by Coutts Hallmark Cards, he hasn't always come in for such high praise from his family. Back in the stone age, dad must have been looked upon with something less than affection. He was a tyrant and his word was law — until one of his sons was able to dispose of him and hand to hand battle and himself take command of the family.

The man of the house remained something of a despot throughout much of history. In Biblical times, a son took his life in his hands to disagree with his father. If he did, the law held that he could be put to death.

And in early Rome, only by running the chance of being cursed by the ancestral "Nunna" or family gods, could young people cut themselves loose of parental authority. In pre-Christian Northern Europe,

it was considered a disgrace for a son still in his teens to appear in public with his father.

The ancient Greek father's authority extended to matrimony. He decided — with no questions asked — who his son's bride would be. A similar practice was carried on in India where youngsters were betrothed in childhood. And often the young men was not allowed to unveil his bride until too late — after the ceremony.

In some African countries, the man of the house was able to put his wife on the auction block. But in India and the Sudan the shoe was on the other foot.

In India, the husband had to watch that he didn't get into debt. If he did, the little lady could sell him into slavery to pay off the creditors.

Until as recently as 1948, a Sudanese wife — after bearing five children — could go back to live with her parents and leave the youngsters to be looked after by father.

In Canada and the U.S., dad's authority in the family seems to be slipping. Some sociologists say the mom and not dad has the final say at home. And each year, women are gaining control of a bigger chunk of the country's national wealth.

But while dad has lost some of his authority, it's obvious from the kind of cards he will be receiving for "his day" that he still enjoys as strong a place as ever in his family's heart.

Third reading for 'Night Patrol' clause

Council has moved third reading to the amendment to the Trades Licence By-law. The amendment is to Clause 7 of the bylaw No. 37, by the addition of the following:

"A licence shall not be granted to any person to operate the business of 'Night Patrol' until such person has delivered to the City a bond, in such form and upon such conditions as may be required by the City Solicitor, in the amount of Ten Thousand Dollars (\$10,000.)"

RCMP investigate 165 complaints

Some 165 complaints were received and investigated during the month of May by the White Rock detachment of the RCMP.

Eighteen traffic convictions were reported and eight traffic warnings given. Two parking convictions were reported and three parking warnings given.

The liquor situation was reported under control with two liquor cases investigated; five articles were reported lost and four recovered; one bicycle was reported stolen and none recovered.

Prisoners' expenses and maintenance amounted to \$37.50 with \$11.25 for meals.

Fines imposed under municipal bylaws amounted to \$10.

Revenue collected in municipal cases and payable to the municipality amounted to \$467 and to the province, \$35. Costs amounted to \$50 to the municipality and \$2 to the province.

A newly-formed company of Toronto actors is the nucleus of a radio series, Four's Company. This weekly CBC show cannot be called a drama series in the strict sense of the term; while plays will be presented from time to time, much of the series will be less like drama than good conversation, a sharing of books. Mavor Moore, Ruth Springfield (top), Diana Maddox and John Drame make up the company.

Hospital won't refuse emergencies

The regular monthly meeting of the Crescent Beach Property Owners Association was held on Wednesday, June 3, with the president, Mr. W. W. Hastings in the chair.

The chairman of the light committee presented a petition of several property owners requesting that lights be installed at Kidd and Gilley and Duns-muir and Gilley streets which will be forwarded to the proper authorities.

The president reported having interviewed White Rock hospital regarding a report that only patients of doctors practicing in the area were being admitted and was informed that no emergency cases were refused. Two doctors and a drug store are interested in locating in Crescent Beach and a more complete report will be made

Birthday party for Barbara Lee

The 13th birthday of Barbara Lee, daughter of Mrs. Jessie Lee, was marked by a beach party attended by some twenty of her young friends.

Guests included Betty Sloan, Judy Mitchell, Sharon Darling, Helen Jackson, Lucy Laypen, Brenda Beales, Lynne Harris, Vivian Long, Marlene Teskey, Elizabeth Bresbroek, Roddy Gunn, Gordon Mitchell, Ian Robertson, Dale Carmichael, Gordon Hogg, Larry Wilson, Noel Chester, John Goulder, Wayne Procter, Wayne Clifford, Colin Pilgrim and Steven McLean.

Hoggs will attend medical rally; festival

The thrill of leaving Vancouver airport at 11 a.m. Saturday, June 13 and arriving in Amsterdam, Holland, at 7 a.m. Sunday morning, was experienced by Dr. R. J. A. Hogg and Mrs. Hogg, who plan to spend the next seven weeks touring seven of Europe's interesting countries prior to journeying to Edinburgh where Dr. Hogg plans to attend the British and American Medical Convention.

The Hoggs will tour Europe via train, bus and boat, visiting Belgium, Germany, France, Italy, Holland and Austria prior to visiting the British Isles.

The conducted tour they plan to enjoy allows them four days in Rome, three days in Paris and three days in London.

Neither the doctor or his wife have been to Europe before and they are looking forward to this well-planned visit with keen anticipation. They plan to keep a diary while en route and take scores of movies.

While in Edinburgh they will be just in time to enjoy the world-famous Edinburgh Festival.

Rotary golf prize winners

Dr. Don Crawford won first prize of \$25 in the Rotary Club golf draw held recently. He picked Dr. Al Hogg who had a low net of 67.

Lorne Pravitz held the second prize ticket of \$10 on Dr. Al McPherson who had a 70 and Bert McAdam held the third prize ticket of \$5 on Don Crawford who had a 71.

Another \$5 was awarded to Major Lloyd Hough who held a ticket on Jim Shaw, consolation high winner.

Congratulations Graduates

The British Columbia Teachers' Federation offers congratulations to this month's high school graduates.

Teachers are proud of the students graduating from our schools.

As graduates of an educational system which is one of the finest, our boys and girls have received the grounding necessary to prepare them to meet the challenges of further study or immediate employment.

Never has the need for teachers been greater. When they choose their vocation, we hope many of this year's graduates will decide to enter the teaching profession.

PLYWOOD REMOVABLE MOTOR TRANSCOM

Cartop punt goes together quickly

Part Three
by MIKE CRAMOND

After the framing of the all-purpose fir plywood punt has been completed, and the pieces nailed and glued into place, 24 hours should be allowed for the glue to set firmly. The punt is now ready for "planking."

To make the bottom, saw the 4x10 foot panel of fir plywood lengthwise down the centre. Fit the pieces along the keel, which must be bevelled to form a flat surface. Tack the bottom pieces into place and measure carefully around the edges. Cut away waste, glue and nail into place.

Now turn the punt over and install gunwales, after fitting them with blocking to take the decking. Measure the decking pieces carefully. These can all be cut from a single panel of quarter inch fir plywood.

Start fitting at the bow, and nail and glue decking to transom, sides and blocking on forward face of intermediate frame. Side decking goes on next, in the same manner.

If you wish to use an outboard motor with the punt, two galvanized bolts should be fitted through the stern transom and made watertight before the stern decking is glued and nailed into place.

A removable outboard motor transom may be made of three-quarter inch fir plywood to the dimensions in the drawing. Supports of flat strap steel should run from the top of the motor transom to the corner where the gunwales join the intermediate frame.

Seating in the punt need only be a piece of leftover decking, 16x24 inches, placed in the bottom of the boat. Our positions are variable, but should be close to the stern so that the bow will rise slightly when the carman sits just aft of centre.

The punt is now ready for painting. First seal the fir plywood thoroughly, and then paint to your taste. Decorative strips of hardwood can be laid along the decking for trim, and a shallow, half-inch outer keel added to the bottom for manoeuvrability, if desired.

If on first reading, some aspects of the plan seem confusing, don't worry. As construction proceeds, many problems will clear themselves up.

Good fishing — and happy boating in your new fir plywood punt.

One million pounds of milk daily

Over one million pounds of milk were received every day of the month of May at the plants of the Fraser Valley Milk Producers' Association. A record total of 34,535,249 lbs. exceeded 1958 figures by 250,000 lbs.

Director at Epilepsy Centre

Lloyd W. Dewalt, UBC graduate, has joined the recently opened Epilepsy Centre, 435 West Broadway, Vancouver, as director of social work.

Mr. Dewalt will work closely with epileptics, their families, doctors and professional groups. His work will emphasize the social aspects of epilepsy and will include family and individual counselling.

Mr. Dewalt holds a B.A., and B.S.W. from UBC and received his masters degree in social work in the spring, 1959. He won the Social Work Award for the best thesis in his final year.

He has had extensive experience with the Social Welfare Agency in Kamloops and later with Police Court in Vancouver. His most recent post was probation officer for the East Kootenay area.

His appointment was announced by G. H. D. Hobbs, chairman of the Epilepsy Division, B.C. Society for Crippled Children, which sponsors the Centre. Born in Saskatchewan, Mr. Dewalt is married with one son. He served from 1941 to 1946 in the Canadian Army.

Canada's pulp exports to the United States currently are in excess of \$200,000,000 a year.

Guaranteed insurability — to meet your future requirements

A new Mutual Life option guarantees you the right to obtain extra life insurance later on — up to \$90,000 additional insurance, without medical examination. Your insurability can be priceless — ask your Mutual Life of Canada man about insuring it.

Lower rates for women!

With a deep bow to the ladies, The Mutual Life now provides you with insurance at lower premiums than for men — and recognizes that you are younger, madam, than your years. Your proven ability to live longer means real savings for you — from The Mutual Life of Canada.

Automatic payment of premiums... save time, postage and money!

You write no more cheques... Mutual Life's new automatic plan takes over. A Mutual Life extra! Your monthly premium is less than if you pay monthly the usual way.

Group insurance — for 5 or more employees

Really comprehensive coverage at remarkably low Mutual Life rates — life insurance, hospital, surgical, medical expenses and income while laid up — plus health insurance and maternity benefits for dependants — all integrated with government plans where in effect.

Talk it over with your Mutual man. A Mutual Life policyholder enjoys the most modern services, the most attractive savings in life insurance today. Get protection at low net cost from The Mutual Life of Canada — the company with the outstanding dividend record.

Alcohol does more harm than cancer, WCTU told

Realizing they are in the minority fails to daunt the dedicated members of the Women's Christian Temperance Union who have just concluded their 76th annual convention held in the Pentecost United Church. Mrs. H. T. Douglass and Mrs. Fred Staples were the White Rock group's official delegates.

This group, the oldest women's organization in Canada, has some top-notch leaders, some former teachers, who have all received training at the Alcoholism Foundation School in Saskatchewan, and who are being invited to speak to youth groups and adult organizations throughout the country.

These ambitious women who work hand in hand with the B.C. Alcoholism Foundation realize that their task is a tremendous one if they could educate the general public to the ultimate results of B.C.'s heavy liquor consumption, but they are determined to make their influence felt. They take courage in the knowledge that all good which has come to the world has been perpetuated by a minority group.

Drunkness costs the province almost \$85,000,000 a year, E. D. McRae, executive director of the B.C. Alcoholism Foundation reports. Breaking this figure down he reported: \$50,020,000 of this amount represents lost earnings; \$3,000,000, hospitalization; \$3,375,000, traffic deaths; \$18,270,000, injuries; \$6,000,000 property damage; \$1,240,000, jails; \$1,788,000, social services; \$500,000, mental hospitals.

This breakdown, he said, resulted from interviews with all alcoholics, and a check of police

and figures of the motor vehicles branch.

Lack of adequate provincial grants has forced the B.C. Alcoholism Foundation to cut staff and research, president A. Bruce Robertson reported.

A \$75,000 budget for the year ahead will force the foundation to continue to "limp along," he told the meeting.

The foundation asked \$118,000 and received the same grant as last year, he said, even though it was forced to give up two counselors and a stenographer, stop publishing a professional review, drop programs at Essondale and Haney Jail, and accept as resident patients only those who could make a \$50 deposit.

Of the more than 22,000 alcoholics in B.C., the foundation was able to treat 951, although research figures show there were 3,990 new cases in the two years between 1954 and 1956.

Special speaker at the convention, Rev. Gordon Vincent reminded his hearers of the "power of the opposition" in any society. Winston Churchill, while a member of the opposition party warned of the likelihood of 2nd World War which may have spared thousands of lives if it had been heeded, he said.

He reminded his hearers also that the friends of Christ who lingered at Calvary following His crucifixion were in the minority but through them Christianity spread to the furthest corners of the earth.

Alcohol is doing more harm in B.C. than T.B., polio and cancer combined, he said. It is running more lives than any one of these killers.

"Can one imagine germs of cancer, T.B. or polio being sold in bottles to thinking individuals, and yet B.C. has realized 3,990 new confirmed alcoholics during the two year period from 1954 to 1956, who contracted the "disease" through bottled merchandising," he said.

Mrs. Douglas gave her detailed convention report at the regular monthly meeting of the White Rock branch held in the United Church, Wednesday, June 10.

Ray Shepherd PTA elect new officers

The annual meeting of Ray Shepherd PTA was held at the school on Wednesday, June 10.

Ald. Jessie Lee installed the executive for 1956-57 as follows: president, Mrs. G. A. Affleck; vice president, Mrs. B. Berg; hon. president, principal S. J. Mills; hon. vice president, Mrs. H. Morden; secretary, Mrs. A. J. A. Bell; treasurer, Mrs. A. B. Smith.

Committee chairmen are program, Mrs. D. S. Fraser; membership, Mrs. J. Lowery and Mrs. A. A. Turner; dental clinic, Mrs. R. F. Ingram; social, Mrs. E. J. Jones; Surrey PTA council delegate, Mrs. K. A. Wigmore; historian, B. W. Pray.

Plant named to Prov. Executive

Mr. V. W. Plant, president of the White Rock Branch of the Senior Citizens' Association was named to the provincial executive at the annual convention held in Marpole last week. He and Mrs. A. LePere were named delegates from the White Rock branch.

Business arising from the convention included the shelving of the amalgamation project for a year.

Interest of the senior citizens was of primary importance to the delegates with them reaffirming their demand for raising the security to \$75 monthly.

Members will attempt to have taxes frozen on pensioners' homes.

Mrs. A. J. V. Seelye, secretary of the newly formed Quenel branch of the Senior Citizens' Association, who attended the convention in Marpole, was a guest this week of Mrs. E. T. Everest, 387 Parker St.

Service club asked to decorate PNE float

City Council will circulate a letter to all service clubs within the city in the hope that one of the groups will prepare a float for the PNE parade.

Council feels it did not budget for such an expenditure this year and couldn't possibly take it upon themselves to do it now, but feel strongly that an allowance should be made in next year's budget for such an expenditure.

Failing a response from the service clubs White Rock will no unadvertised in the mammoth parade.

Obituaries

MEEN: June 10, 1959, Mary Ann Meen, 15490 North Bluff Road, Age 76 years. Survived by her loving husband John; three sons, Tom of Edmonton, Edward of Grande Prairie, Frederick of Pemberton, B.C.; one daughter Bertha of Meeting Creek, Alberta. Funeral service was held on Monday, June 15 at 11 a.m. from Chapel Hill Funeral Parlour to Sunnyside Lawn, Rev. A. Laing officiating.

GORDON: June 14, 1959. James Gordon, 12708 - 24 Ave., White Rock. Age 83 years. Survived by his loving wife; one daughter Mrs. M. Engstrom of Harrison, B.C.; one brother George in Ireland. Also two grandchildren. Funeral service was held on Tuesday, June 16 at 1:30 p.m. from Crescent United Church, Crescent Beach to Sunnyside Lawn, Rev. A. A. Affleck officiating. Chapel Hill Ltd. Funeral Directors.

Travel expenditures of Canadians visiting other countries during 1958 were 3.0 percent higher in 1958 than in 1958. The 1959 figure: \$544,000,000.

Crescent still concerned over Boundary Bay site

At a recent meeting of the Crescent Beach Property Owners' Association it was decided to ask for assistance from the Municipality to ascertain whether "nuisance industries" are making a renewed bid to locate in the Boundary Bay area.

The meeting was told that a "nuisance industry" is one which in the normal course of its operation makes or produces offensive by-products which pollute the air and in course of time destroy much vegetation and which also empties into nearby waters industrial waste which destroy marine life and pollute the water.

It was learned that such industries are seldom welcome anywhere and that most places prohibit them from locating near towns and agricultural farm land.

W. W. Hastings, president of the Property Owners' Association, stated that the secrecy surrounding the type of industries proposing to locate in the Bay had done nothing to dispel such rumors and reminded the members that an injunction to prevent the development was still being considered. The development had not been dropped it had only been postponed.

A letter from J. A. Smith

Seven baptized at Baptist Church

Co-operation of White Rock churches was again in evidence Sunday afternoon when the congregation of the Evangelical Free Church used the White Rock Baptist Church in which to hold a baptismal service.

Seven candidates participated in the lovely mid-afternoon baptism at which Rev. H. J. Westman officiated.

Participants included Mrs. E. Lutz, Mrs. R. J. Ashby, with her daughter Jacqueline and son Danny; Ruth and Fred Hollingshurst and Mr. George Kamps.

A PERSONAL CHECKING ACCOUNT FOR PAYING BILLS

2

A SAVINGS ACCOUNT STRICTLY FOR SAVING

Personal Chequing Account

YOU'RE SITTING PRETTY
when you save the **2** account way

Give your savings a chance to grow, by adopting the Royal's new "2-Account" system of saving. It's simple. You open a Personal Chequing Account for paying bills... keep your Savings Account strictly for saving. This way you avoid dipping into your savings... give them a chance to grow with every dollar you deposit and with the interest your savings earn. Before you know it you're sitting pretty with a solid back-log of available cash. Try it. **THE ROYAL BANK OF CANADA**

White Rock Hilltop Branch • • • E. A. McDORMAND, Manager

MP grateful for Board's support on railroad

by W. A. McLennan, M.P.

Thundering approval was given in the House of Commons by Members of all parties to the announcement that Hon. Howard Green had been sworn in as Minister of External Affairs. Hon. Lester Pearson, Leader of the Opposition, spoke of the high regard and affection all Members hold for the new Minister.

It is generally agreed that Mr. Green is one of the finest men in the public life of Canada. He is entirely sincere, strictly honourable and devoted to duty. I am sure the people of British Columbia are proud of him and delighted at his appointment to this high post.

The House is now on longer hours, sitting on Wednesday and Thursday mornings and Friday evenings until 10:00 p.m. It will not likely be long until all day Saturday sittings will be added. There is still considerable legislation on the Order Paper and several Departments' estimates as well as the supplementary estimates still to be passed.

When Her Majesty, The Queen, and Prince Philip visit Ottawa on July 1, the Red Ensigns will outnumber Union Jacks on public buildings and along the royal travel routes. A spokesman from the Department of Public Works said nearly twice as many Red Ensigns as Union Jacks will be flown from federal buildings. The Red Ensign is the only flag now flying from the pole at the City Hall, and there seems little chance of any change.

As Canada's semi-official National Flag, the Red Ensign

came into its own during the Queen's visit in 1957. At that time an unwritten order from the Department of External Affairs decreed that the Ensign should be flown to the right of the Union Jack - a position indicating its precedence. This has now been put in writing in a recent order from the same Department and made known by the Department of the Secretary of State.

You will remember at the start of last session it was nearly a foregone conclusion the railroad to the resources rich Great Slave Lake area in Northern Alberta was going to be built via the Northern Route. It was through the efforts of the Western Members of Parliament, especially those from Northern Alberta, Peace River and British Columbia the decision to do so was stalled.

It has now been announced by the Prime Minister that a three man Royal Commission will inquire into the best route for the railroad. The members of the Commission will be Marshall E. Manning, Chairman; W. D. Gainer, Agricultural Economist at the University of Alberta, and John Anderson-Thompson, Consulting Engineer of Yellowknife, N.W.T. I am very grateful to the Associated Boards of Trade in the Fraser Valley for the unqualified support they have given us on this matter.

It has been unbearably hot here this last week. It is really not the heat but the humidity which is so hard to take. When one leaves the Parliament Buildings late in the evening, you feel as if you had a wet blanket wrapped around you and the hot nights make sleeping a little difficult.

Badges, Ranks presented here

An impressive encampment service was held Sunday evening at the White Rock Evangelical Free Church at which both Colonists and Pilgrims, all members of the Pioneer Girl Movement, received earned badges and ranks.

Official Guide, Mrs. H. J. Westman, master of ceremonies, outlined the work and aims of the Movement, emphasizing its motto, "Christ in Every Phase of a Girl's Life."

Gail Bradley, Maple Street, a member of the Pilgrims, received her Voyager Rank. Kitchcraft badges were presented to Judy Starrett, Edith Guthrie, Gail Bradley and Linda Standen. Nature badges were awarded to Gail Bradley, Lorraine Wilson, Judy Starrett, and Edith Guthrie. Gail Bradley also received her Handicraft Badge. Margaret Jane Stewart was awarded the Missions Badge. Mrs. Ray Stewart made the presentations.

The Pathfinder Rank was awarded to Colonists Beverly Stavness and Sharon Haines. Manual Arts Badges went to Jill Wits, Diane Northeast, Jacqueline Ashby, Ruth Hollingshurst, Beverly Stavness, Sharon Haines and Shirley Wager.

Needlecraft Badge went to June Hansen; Food Arts, Shirley Wager; Music, Diane Westman. Mrs. George Hollingshurst made the Colonist's presentations.

Both groups have disbanded for the summer months.

THURSDAY, JUNE 18, 1959 17

Gliding Swans

We watched the white swans, we saw how they glide,
Upon the clear water with young at their side,
We saw how they arched their neck and each wing,
As gliding and gliding they swam in the spring

We watched the white swans beneath willow trees,
Majestically gliding along with the breeze,
At night time they swam away for a rest,
With young they went gliding away to their nest.

— Jane Johnson

Property Owners urge 30 mile limit on hill

The regular monthly meeting of the Ocean Park - Crescent Heights Property Owners Association was held in the fire hall on Tuesday evening, June 9, with the president, Mr. James Carruth in the chair.

Mr. George Weaver, vice president of the association, resigned due to his moving from Ocean Park. Mr. Sam Smith was elected vice president for the remainder of the year.

The chairman of public works reported on the work being done at Bergstrom and 15th. The meeting decided to invite Councillor Walter Johnson to the next meeting to discuss public works in this area.

The association is writing to council recommending that Crescent Road hill from Beckett Road to the railway tracks be put back to a 30 mile zone as the present 20 mile limit is too slow for traffic to come up

this hill and also that a solid white line be made from the corner at Elgin to the Community Hall.

The RCMP are being requested to check the carelessness of children on the roads at the schools.

Councillor Ernie Woods spoke briefly.

The next meeting of the association will be held the second Tuesday of July in the fire hall on Stevenson Road.

PNE to get cool treatment this year

Those torrid late-August days which usher in the Pacific National Exhibition will be given the "cool treatment" during the Fair this year from August 22 to September 7.

PNE Board of Directors has decided to beautify Exhibition Park with several multi-colored fountains. Largest one will be installed in the permanent pool in front of B.C. Building.

Fountains serve a dual role in most major Canadian and U.S. exhibition parks, surveys show. They have enormous eye appeal and they actually tend to reduce temperatures, especially in closed areas.

Tentative plans for their installation also places them among the Mall, the main thoroughfare which dissects Exhibition Park from east and west, and in at least two of the larger permanent buildings.

Largest and most spectacular fountain will be the one in the B.C. Building pool. It will incorporate several perpendicular jets, more than 100 hidden lights and a complete spectrum change every seven minutes.

ABOUT CHEVY LASTS LONGER ...including your pride!

It's a fact! Chevrolet's built to take time as well as distance in its stride. In style—in quality and in engineering excellence, Chevrolet gives you an extra margin of value that will stay new longer, hold its worth and your pride, high over the years!

You'll find Chevrolet brings you big-car advantages like deep-cushioned comfort... all-round, airy visibility and unstinted roominess. But Chevrolet is close to the small cars in economy. And when you remember that Chevy is built to out-last others in its field you'll know why Chevrolet is your very best buy. Look into the details at your Chevrolet dealer's today.

FIRST - because it's built to last!

In The Garden

By G. E. Sery

MULCHING PREVENTS EROSION

While the leaves of lawns, vegetables and most flowers demand sunshine, and lots of it, researchers agree that shade on the soil over their roots is good for practically all plants. At first glance this might seem a difficult prescription to fill, but it can be done by covering the soil with a mulch.

The latest argument in behalf of mulching is that it prevents erosion.

A government bulletin says: "Raindrops come hurtling out of the sky and the soil so hard that the soil is splashed up on your lettuce. Scientists have measured the splash and found that it may be as high as two feet. Then, the detached soil may be carried off in the water which has accumulated from the rain. Or, those fine particles of soil in the water will settle down into the pores of the soil and fill them up. That will prevent the water soaking into the soil as rapidly as it should. When water does not soak into the soil it accumulates on the surface and ultimately has to flow somewhere.

Luckily, there is something the average gardener can do about raindrop or splash erosion. He can put a mulch on his garden. All of us would like to have enough straw to put a layer of three or four inches over the garden. But, often, we can't get the straw or it costs too much. But we can take the mowings from around the edge of the garden and put them between the rows. Later the lawn clippings can be spread out between the rows. An hour or so spent with a hand sickle cutting down the weeds and spreading them in the rows will pay handsomely.

Men who have gardened for years, but who were not taught to use mulches continuously, express surprise at what a wonderful help they have found at last. It prevents the raindrop erosion by intercepting the raindrops and leads the water down

to the soil gently. It keeps the weeds down and lowers the soil temperature in the hot summer days and helps conserve the moisture that goes into the soil.

Paper mulch, and even stones and slabs of concrete have been experimented with. But tests by the Ohio State experimental station, emphasizing the importance of soil aeration, indicate that the best mulching materials allow free circulation of air through the top eight inches of soil.

Mulches of fresh organic material, such as manure, straw, alfalfa, peat moss, lawn clippings and others, stabilize the granular structure of soils and prevent surface compaction. Excellent results can be obtained from a heavy mulch of dry lawn clippings, applied a little at a time. The first application should be well mixed with the top soil, and then it may be built up to several inches in thickness, so that weeds are kept down and evaporation checked, but at the same time rains are allowed to penetrate the soil. Tomatoes, especially like a mulch of this kind.

PINCHING BACK AIDS ANNUALS

Like some children, annuals often grow too tall and leggy, especially if they are crowded. The result is that the central shoot produces flowers and forms seed. Since the plant has fulfilled its reproductive function, it begins to die back. The gardener who desires a profusion of flowers should pinch out the top of spindly annuals. This form of pinching

Action against city threatened

Brian J. Luken, of 990 Finlay Street, has threatened to take action against the city if the hill on Pacific Avenue, between B and Finlay Street is not closed to traffic.

Mr. Luken claims speeding

back will act as a tonic and result in strong, bushy plants. When the top central shoot or top buds are pinched off, the plant will develop side growth in the axils of the leaves. There will also be more flowers and a longer season of bloom.

Among the annuals which are benefited by pinching back are stock, snapdragons, marigolds and zinnias. Such plants should be pinched back when they are 6 to 10 inches high.

There are, however, some annuals which do not respond to this treatment. Among them are asters, everlastings, nicotiana, celosia and poppies. Certain biennials such as Canterbury bells and foxgloves, also resent being pinched back.

Disbudding also should be practiced by the home gardener on certain plants which produce many buds at the top of the stem. Among those often needing such treatment are roses, dahlias and chrysanthemums. Pinch out side buds while they are still small and ways to pick off.

Young chrysanthemum plants which have recently been planted out in the garden should be pinched back when they are about 8 inches tall. This will make them branch out and make better plants.

traffic coming down the hill is creating a hazard to his wife and family. Screaming brakes are heard throughout the night and several near mishaps have just brushed his premises. He fears some auto will crash into his home.

He pointed out in a letter to Council that if the city did not undertake to correct this situation before June 8 his solicitor would take court action against the city.

Ald. John Hynds agreed that from his observation some youths have been using the hill as a speedway and can barely keep to the road at the bottom of the hill. He urged Council to erect Caution signs on the hill, or limit the speed limit.

Ald. Sid Pennell pointed out the speed limit within the city is already 30 miles an hour and if that were adhered to there would be no danger.

Council felt there were other hills in White Rock just as steep as Pacific. No action will be taken by the city.

34 pupils, parents attend piano recital

Some 34 pupils and parents were on hand for the piano recital staged by Mrs. Forest Leard at the home of Mr. and Mrs. Morris Lewis, 14293 Marine Drive.

Participants included Norma Riley, Paul Smith, Brenda Roth, Linda Black, David Smith, Barbara Lee, Eddie Mathews, Maureen White, Linda Lewis, Peggy Sloan, Karen Jones, Loraine McGrath, Roy But, Donna Gail Stearns, Betty Sloan, Ronny Mathews, and Sharon Roth.

The program was recorded and the music pupils heard their individual numbers played back to them.

Upon the conclusion of the recital Mrs. Jessie Lee moved a vote of thanks on behalf of the parents to the fine work Mrs. Leard has accomplished in the lives of her pupils throughout the past year.

Refreshments were served upon the conclusion of the evening.

Generation of electrical energy in Canada in 1956 increased 7.2 percent to 96,700 kilowatt hours as against 1957.

Construction of B.C. Electric's new Fraser Valley natural gas distribution headquarters will begin soon at Trans-Canada Highway and Coast Meridian Road. The building will replace the present Valley gas headquarters at Abbotsford.

About \$125,000 will be spent this year on the first phase of

the project. Office space for administrative and engineering staffs will be completed this fall.

In its completed form the building also will contain warehouse for tools, equipment and materials as well as a tool repair shop and assembly room.

Danny Sailor

Local high climber in world timber carnival

Danny Sailor, the much publicized high climber from North Surrey, has entered the 1959 World Championship Timber Carnival held annually at Albany.

Sailor won the speed climbing championship in 1958 and will defend this title this year. His time up and down the 100-foot pole last year was 35.6 seconds, only 3 of a second slower than the world record of Malcolm

Harper set in 1955.

Sailor not only won the title in 1958 but also in 1953 and 1954. The speedy high climber is a professional tree topper in private life and also performs at other logging shows. He recently carried out tree-topping in the White Rock area.

World champions in six events are decided each year during the Timber Carnival. The events are log chopping, bucking, axe throwing, tree topping, speed climbing and log rolling. The events will be held July 2, 3, 4, 5 and mark the 15th annual show of the Timber Carnival.

An extra day was added to the Timber Carnival this year in anticipation of big crowds expected to be touring Oregon for the state's Centennial Celebration. Prize money was also increased, swelling the pot to \$4,000 in cash prizes for the contestants.

DANNY SAILOR

It's a dangerous life, but a thrilling one, and speed climbing champion Danny Sailor of North Surrey proved his skill when he topped a tree at a home in White Rock about a month ago. He will appear in the World Championship Timber Carnival at Oregon on July 2, 3, 4, 5.

VON Auxiliary plans dinner for tonight

Miss Louise Hamilton, head nurse of the Surrey VON, showed films on nurses duties at the White Rock VON Auxiliary meeting held at the home of Mrs. William Conner.

The Auxiliary will hold its dinner meeting at "The Chestnuts" in Langley on June 18. Any members or friends wishing to attend should contact Mrs. J. D. G. Knight at WI. 8-9216 or Mrs. William Simpson at WI. 8-2971.

A home cooking sale will be held on Saturday, June 27 at 10 a.m. at Calvin's Hardware Store.

The Auxiliary has sent a second layette to Cloverdale.

The word "milk" is derived from the Sanskrit word "māṭi" meaning "the strokes" or "the ribs." The Teutonic derivative "melki" or "melchan" meaning "to milk" led to the present day word "milk".

Council turns down rezoning request

Council has refused the request of Mrs. Alice Kowalchuk, Everall and North Bluff Road for the rezoning of five of her lots, just east of Everall from Residential — single-family to Commercial.

Council felt they would like to see a plan of the proposed businesses wishing to locate there before they would consider the matter further.

Lutherans plan service, picnic

Lutherans from Cloverdale and surrounding areas will observe their annual outdoor service and picnic this Sunday at Zion Lutheran Church Park, located at 180th St. at 60th Ave. in Cloverdale.

Festivities begin at 10:00 a.m. with a service on the grounds in German; the outdoor service in English begins at 11:15 a.m.

All who come are asked to bring a picnic lunch and spend the day. There will be games and contests for young and old in the afternoon. In case of rain, both services will be held at the church.

Peter Balback, John Schmitke, Glen Peschke, and Art Bucholtz are on the committee.

Americans visited Canada in fewer numbers in 1959 than they did in 1958 and reduced their spending by 5 percent, the expenditure being \$309,000,000.

Local 'Witnesses' to protest Argentine action

The White Rock congregation of Jehovah's Witnesses learned June 14 that Jehovah's Witnesses in Argentina have been denied their constitutional rights of free assembly and worship.

A vote of protest was taken and plans discussed to petition the Argentine Republic to correct the restrictions laid on the Christian group's activities.

A J. Sutton, the local congregation's presiding minister, said that in spite of many liberal advancements made by the present Argentine government that ousted the dictatorial Peron regime, a few non-Catholic religious groups that were declared illegal by Peron have yet to be recognized by Argentina's constitutional president, Arturo Frondizi.

According to Mr. Sutton, two different applications for recognition were denied by the "Ministry of Worship," a department of the government formed by Peron to control the registry

of all non-Catholic religions in the country.

Furthermore, two futile appeals have been made to present government to rescind the order denying Jehovah's Witnesses the right to register. The latest appeal was made following the new decree signed by Frondizi on February 6, 1959, giving non-Catholic religions full right to worship God as guaranteed by Article 14 of the Argentine Constitution.

Mr. Sutton said the more than 6,000 Jehovah's Witnesses in Argentina began circulation of a petition addressed to the president of the Argentine Republic requesting recognition under the new, liberal provision of his government.

The neighboring countries of Bolivia, Chile, Paraguay and Uruguay are circulating similar petitions to acquiesce the people of those countries, as well as Frondizi, with the condition that exists in Argentina.

Surrey VON delegates hear dominion head

Local delegates who attended the annual meeting of the Victorian Order of Nurses for British Columbia held Thursday, June 4 in the Art Gallery at Victoria were Mrs. John Ash, Mrs. J. Dingwall and Miss Louise Hamilton of the Surrey branch.

Mrs. S. D. Markham, retiring president, said in her annual report that 60 nurses in nine branches in B.C. made 136,382 visits in 1958.

"Majority of the chronically ill are pensioners. Therefore we use the total of such visits as the basis of our approach to the B.C. government for the annual grant."

Last year 60,507 visits were made in this category at a cost of \$200 each, amounting to \$120,614. Provincial grant at the moment stands at \$30,000 and this large discrepancy is financed by voluntary funds through Community Chest and other campaigns.

In Surrey the branch is a

member of the United Good Neighbor Fund.

Mrs. Markham said \$67,500 has been applied for the Victorian Order of Nurses for British Columbia but the amount had not been announced.

Hopeful progress for the inclusion of the Victorian Order Nursing services in the Federal-Provincial Health Plan indicated by Mrs. Markham as she said, "It was decided that since hospital insurance for the treatment of acute patients has been in existence in B.C. for some years, the most practical approach for the Victorian Order of Nurses would be to press for a hospital referral system on a contractual basis with individual hospitals."

"If agreement could be reached between the Provincial and Federal governments, provision could be made under the outpatient clauses in the Hospital Insurance and Diagnostic Services Act."

In the meantime branches in Vancouver, Victoria, North Vancouver and Surrey are developing a referral system with local hospitals.

"Owing to the fact that at present, patients may stay in hospital for a dollar a day under Hospital Insurance and therefore see no necessity for paying a visiting nurse privately, this service cannot grow to any extent unless it is at no charge and the hospital bed shortage is not appreciably relieved."

Highlight of the session was the address by the director in chief of the Victorian Order of Nurses for Canada, Miss Christine Livingston of Ottawa.

The physical health of the nation is better protected than ever before yet Victorian Order nursing is needed as it has never been needed in all our history. She went on to say, "V.O.N. nurses have to learn the new technique of helping patients to help themselves."

It is working wonders among elderly people who would be bedridden otherwise.

"For instance an infirm person who can be taught to take a bath unaided is not just being clean but is applying a valuable therapy," she said.

"The very act of squeezing a sponge or wielding a brush exercises limbs and the feeling of independence that comes with self-help is a tremendous morale booster."

"In Victorian Order of Nurses, service is available to 43% of Canada's 17,000,000 population," Miss Livingston said. "Our main concern now is to make the service better known to the people."

CONTENT

The day is overcast and gray
But I don't seem to care,
I feel the world holds promise
And my heart is light - as air.
There's no one I would rather be.

Nor would I have you different,
Because I think the way we are,
Fills all our needs at present.
- Margaret Lang.

Refrigerator is most used appliance

Studies of home economists show the refrigerator to be the most used appliance in your kitchen, and it should have at least 36 inches of counter space alongside it for mixing. This is the place to store ingredients

for cakes, cookies and bread - as well as all other foods and utensils you use in mixing before baking. The recommended height for the counter is 32 to 36 inches so that it is low enough to reduce arm and shoulder strain during mixing. Your electric mixer should be placed conveniently on this counter.

Father's Day is Sunday, June 21

HERE'S A

Father's Day Gift

DAD WILL ENJOY ALL YEAR LONG

Make us headquarters for Kodak cameras - equipment - film

GREAT BUY FOR GoLoRo!

BROWNIE STARLET CAMERA
ONLY \$6.95

makes color snaps... black and white snaps... color slides, too!

Grand Gift!

KODAK-MADE FLASH OUTFITS

\$11.55

Famous movie-maker!

BROWNIE Movie Camera
f/2.3
\$37.95

ONLY SEE IT HERE

Film Finished Fast!

See us for Kodak Film... see us often for fast, expert finishing when your picture are taken.

WE ALSO SUGGEST FOR DAD:

- Yankee Shaving Needs
- Old Spice Toiletries
- Wallets - Pipes - Lighters

Philishave
Speed Shaver

An ideal gift for Father.

\$23.95

Open Mondays - 9 a.m. - 8 p.m.

MOSIER DRUGS
